DIGITAL ASSESSMENT: DIGITAL GRADES AND DIPLOMAS

To provide even more choice and flexibility in how Trinity's regulated qualifications can be achieved, digital assessment is available for all our classical, jazz and Rock & Pop graded exams, as well as for ATCL and LTCL music performance diplomas. This enables candidates to record their exam at a place and time of their choice and then submit the video recording via our online platform to be assessed by our expert examiners.

The exams have the same academic rigour as our face-to-face exams, and candidates gain full recognition for their achievements, with the same certificate and UCAS points awarded as for the face-to-face exams.

INTRODUCTION TO TRINITY'S ROCK & POP EXAMS

OBJECTIVE OF THE QUALIFICATIONS

Trinity's graded Rock & Pop exams provide a structured yet flexible framework for progress, which enables a learner to demonstrate their own musical personality and promotes enjoyment in music performance.

The exams assess music performance, technical ability and responses to set musical tests through face-to-face practical assessment. They offer learners of any age the opportunity to measure their development as performers against a series of internationally understood benchmarks, taking them from beginner level to the point where they can progress to higher education in music.

WHO THE QUALIFICATIONS ARE FOR

Trinity's Rock & Pop exams are open to all learners, with no age restrictions or other limitations. There is no requirement to have passed lower grades, theory exams or other qualifications, although the grades represent a system of progressive mastery and the outcomes for each level assume confidence in the requirements of previous grades.

We are committed to making our exams accessible to all, and each candidate is treated individually when considering how assessments can be adapted for those with special needs. Find more information at trinitycollege.com/music-csn

SONGS

Trinity makes every effort to ensure that the songs listed for each grade remain valid for the life of this syllabus. However, we reserve the right to change or add songs. For the latest information go to trinityrock.com

PARENTAL AND TEACHER GUIDANCE

The songs in Trinity's Rock & Pop syllabuses have been arranged to represent the artists' original recordings as closely and authentically as possible. Popular music frequently deals with subject matter that some may find offensive or challenging. It is possible that the songs may include material that some might find unsuitable for use with younger learners.

There is no requirement that all songs in this syllabus must be learnt. We recommend that parents, guardians and teachers exercise their own judgement to satisfy themselves that the lyrics of selected songs are appropriate for the learners concerned. Trinity does not associate itself with, adopt or endorse any of the opinions or views expressed in the selected songs.

ASSESSMENT AND MARKING

Trinity's graded exams in Rock & Pop are assessed by external examiners, who are industry experts trained and moderated by Trinity. Examiners provide marks and comments for each section of the exam using the marking criteria on pages 36-39.

The exam is marked out of 100. Candidates' results correspond to different attainment levels as follows:

Mark	Attainment level
87-100	DISTINCTION
75-86	MERIT
60-74	PASS
45-59	BELOW PASS 1
0-44	BELOW PASS 2

See pages 34-39 for further information about how the exam is marked.

DURATION OF STUDY (TOTAL QUALIFICATION TIME)

All regulated qualifications are assigned a total qualification time. This should be used as guidance only. Total qualification time is an estimate of the average time a candidate spends with a teacher (guided learning hours) added to the average time spent learning independently. It is recognised that the amount of time needed to commit to a qualification will be dependent on each individual's level of experience.

	Guided learning hours (GLH)	Independent learning hours (ILH)	Total qualification time (TQT) (hours)

While for some learners graded Rock & Pop exams represent a personal goal or objective, they can also be used as a progression route towards:

- ✔ Music courses at conservatoires and universities, for which Grade 8 is often specified as an entry requirement
- ✔ Employment opportunities in music and the creative arts

HOW TO BOOK AN EXAM

Exams can be taken at Trinity's public exam centres, which are available throughout the world. Details are available at trinityrock.com/exam-centres, and candidates should contact their local Trinity representative for more information.

In the UK you may book a public centre exam session online at trinityrock.com/book. Alternatively, schools and private teachers with sufficient candidates may apply for an exam visit (please see trinityrock.com/exam-visit for details).

TRINITY QUALIFICATIONS THAT COMPLEMENT THE ROCK & POP QUALIFICATIONS

Trinity's music qualifications offer flexible progression routes from beginner to advanced levels in a range of musical styles. All are designed to help candidates develop as musicians according to their individual needs as learners.

Graded music exams assess a broad range of musicianship skills, including performance, while certificate exams (available for classical instruments and voice) focus entirely on performance, including separate marks for presentation skills. Find out more about graded exams at trinitycollege.com/graded-exams and about certificate exams at trinitycollege.com/certificates

Candidates can enter any combination of graded or certificate exams, and do not need to pass any particular level in order to proceed to a higher level.

Theory exams are available from Grade 1 to support learners to develop their understanding of the technical language of music. However, no theory qualifications or other prerequisites are required to enter graded or certificate exams at any level. Find out more about theory exams at trinitycollege.com/theory

OTHER QUALIFICATIONS OFFERED BY TRINITY

After Grade 8 or the Advanced Certificate in classical subjects, candidates can progress to diplomas at Associate (ATCL), Licentiate (LTCL) and Fellowship (FTCL) levels. These assess higher skills in performance, teaching and theory. Find out more about diploma exams at trinitycollege.com/diplomas

Adults who work as music educators may also wish to consider Trinity's Level 4 Certificate for Music Educators (Trinity CME). Find out more about the Trinity CME at trinitycollege.com/CME

A mains power supply will be available at centres – candidates are responsible for the electrical safety of any of their own equipment used in their exam.

There may be a warm-up room or area where candidates can prepare just before the exam. Facilities will vary between centres.

TUNING AND SET-UP

Assistance in set-up is permitted up to and including Grade 5. From Grade 6 onwards, candidates are expected to set up equipment without assistance.

TYPES OF VOICE

All types of male and female voice may enter for the exams. See page 19 for guidance on transposing songs into different keys or performing songs written for other voices.

ADAPTING LYRICS

Small changes can be made to lyrics that contain mature themes, provided this doesn't significantly affect the impact of the song. Rhythmic integrity must be maintained, and a copy of the amended lyrics should be given to the examiner in a live exam or uploaded in a digital exam.

MICROPHONES

These exams encourage the development of good microphone technique. The requirements below apply for performance of songs.

- ✔ Initial: Candidates are encouraged to use a microphone, but this is not compulsory for any song.
- ✔ Grades 1-3: Candidates must use a microphone for song 3; it is advised but not compulsory for songs 1 and 2.
- ✔ Grades 4-5: Candidates must use a microphone for songs 1 and 3. Use of a microphone is advised for song 2, unless this is sung with live piano or guitar accompaniment.
- ✔ Grades 6-8: Candidates must use a microphone for songs 1 and 3, and for song 2 unless this is sung with live piano or guitar accompaniment.

At all grades it is optional to use a microphone for session skills.

IN THE EXAM ROOM

Most candidates will perform standing up, but may sit down for some songs if desired for a particular effect.

The examiner will have all the backing tracks for songs in the Trinity songbooks so the candidate's backing tracks are only required as back-up copies.

At the beginning of the exam, the examiner will play the first few bars of the backing track of the first song as a sound check, and any adjustments to volume and set-up can be made before the exam begins.

WHAT TO BRING TO THE EXAM

Essential – candidates must bring:

- ✔ An original Trinity Rock & Pop songbook and backing tracks, even if performing from memory
- ✔ Their completed appointment form
- ✔ If performing an own-choice song – the original score and one copy for the examiner, plus the backing track in MP3 format on USB stick or CD (if appropriate)

Optional – candidates may bring:

- ✔ Their own microphone and lead
- ✔ Any other equipment (eg props) required for their performances

EXAM GUIDANCE: SONGS

The vocals arrangements are as authentic as possible to the original songs. All songs should be sung with attention to breath control, articulation, diction appropriate to the style, ad libs consistent with the genre, control of tone in sustained notes and when moving across the vocal range, and attention to the dynamics. It's important to musically represent the lyrics.

Ranges are given alongside each song, using the Helmholtz system:

Although at Grades 6-8 there are different lists for male and female voices, these are interchangeable and any song may be sung by another voice.

All songs can be transposed into a different key to suit the range of the performer. The transposition tool available at trinityrock.com enables songs to be transposed by +/- 5 semitones; the new key versions can be saved to MP3 and used in the exam. Please note that the examiner will not have their own transposed versions of backing tracks, so it's important that candidates bring their transposed tracks to the exam.

As we assess microphone technique, if one is used, candidates may bring their own (see page 18 for full requirements).

For song 2 only, candidates can perform a song written in another language as an own-choice selection. Candidates must supply a copy of the original language and a translation of the lyrics into English for the examiner.

Songs 1 and 3 must be sung with the backing track. Only song 2 may be sung unaccompanied (if appropriate – see further details below).

SONG 1

Song 1 must be selected from the current Trinity Vocals songbook for the grade, and must be performed with the Trinity backing track.

SONG 2

Song 2 may be selected from the current Trinity Vocals songbook for the grade, or it can be an own-choice song.

Own-choice songs must be equivalent in standard to the songs in the Trinity Vocals songbook for the grade. Parameters indicating the length and level of difficulty required at each grade are listed on pages 22-27. Please note that revised own-choice parameters apply for this syllabus.

The own-choice song can be:

- ✔ Sheet music from a printed or online source
- ✔ An original song that the candidate has written
- ✔ A cover version that the candidate has arranged

Own-choice songs can:

- ✔ Be unaccompanied
- ✔ Be sung to a backing track (not including the solo part) – this can be self-created

- ✔ Include added accompaniment, performed live by the candidate on any instrument
- ✔ Be accompanied live by a musician, either playing or singing – the additional musician should remain in the exam room for song 2 only and may be a teacher

Candidates must provide a (photo)copy of their chosen song for the examiner, with name and candidate number clearly shown. The examiner will retain this copy. Own-choice songs may be presented as an original score, handwritten or computer generated, in one of the following formats:

- ✔ A lead sheet with lyrics, chords and melody line
- ✔ A chord chart with lyrics
- ✔ A full score using conventional staff notation

A song from the 2015–2017 Trinity Rock & Pop syllabus may be selected as an own-choice song, provided that it meets the current own-choice parameters. A list of suitable songs can be found at trinityrock.com

SONG 3

Three of the songs in each Trinity songbook are identified as technical focus songs, and these are marked with [TF] in the song list sections of this syllabus. One of these should be chosen for song 3, and it must be performed with the Trinity backing track.

These songs are designed to develop technical skills, and each song has two technical elements identified. Guidance on the preparation of these technical skills is included in the songbooks.

For the technical focus song, higher marks are available in the technical control component to reflect the increased emphasis on this area. Examiners will refer to the technical elements in their comments.

If a candidate includes two or three technical focus songs in their set list, they should clearly indicate on the appointment form which one is to be examined as the technical focus song.

PERFORMANCE AND INTERPRETATION

Trinity's Rock & Pop exams are designed to encourage musical performances that reflect a candidate's own personal style and approach. This is because we understand that contemporary music is flexible in its stylistic interpretation, particularly at the higher grades. However, performances should not be simplified and musical integrity should always be maintained.

REPEATS, EXPRESSIVE TECHNIQUES AND TEMPI

All songs should be prepared in full with all repeats, *da capo* and *dal segno* instructions and 1st and 2nd time bars observed. Candidates are encouraged to include a range of expressive techniques such as vibrato, grace notes, slides, *staccato*, changing vocal qualities, etc appropriate to the style of the song, particularly in the higher grades. Candidates should observe terms showing tempo, dynamics, character and style of the music

BACKING TRACKS

Backing tracks for own-choice songs must be of good quality, in MP3 format and presented on a USB stick or computer-readable audio CD. They must not include the solo part.

Where songs are chosen from the Trinity Vocals songbook, only the official Trinity backing tracks must be used. Adapted or edited versions of the tracks from any other source are not permitted.

PERFORMING FROM MEMORY

Candidates may perform any or all of their songs from memory. However, this is not compulsory and no additional marks are given for this.

MUSIC AND COPIES

It is essential that candidates bring an original copy, or an authorised download, of the music being performed into the exam room. If an unauthorised copy is used, Trinity may not award marks for that song. Original copies of own-choice sheet music can be purchased or downloaded from music shops and publishers. Proof of purchase will be required for downloads. Allowances cannot be made for delays in obtaining printed music.

COPYRIGHT IN A SONG

Points to remember:

- ✔ Candidates can create a cover version of a song and perform it in an exam or other non-public performance
- ✔ Candidates cannot record a cover version or make recordings available to others (by uploading it to a website or copying it) without the appropriate licence
- ✔ Candidates own the copyright of any songs they have written themselves

OBTAINING MUSIC FOR THE EXAM

Trinity's Rock & Pop songbooks contain eight songs (including three technical focus songs), plus background information on the songs and performance tips. They are available from trinityrock.com/shop or from your local music shop. See page 52 for further details.

PARAMETERS FOR OWN-CHOICE SONGS

Own-choice songs should match the standard of songs in the Trinity Vocals songbook for the appropriate grade.

The following tables give guidelines for what might be included at each grade. All techniques are cumulative, but it is not expected that songs will contain everything in the list – this is intended to be a general guide to the type of techniques appropriate at each grade.

Please note that if the length of the song is towards the maximum end of the time limit then examiners may stop the performance once they have heard enough to form a balanced assessment. Songs that exceed the required duration will be stopped when the maximum length is reached. Own-choice songs may be shortened from the original if necessary, for example by cutting instrumental intros and outros, or by limiting the number of verses.

If candidates choose a style of song which relies on spoken or 'belted' sections (eg rap, metal, story-telling ballad, etc) they must ensure there is sufficient demonstration of vocal techniques appropriate to the grade.

EXAM GUIDANCE: SESSION SKILLS

Contemporary musicians need to develop a range of listening and improvisation skills, whether they are an artist or session musician. The session skills tests have been specifically designed to develop and reinforce those skills.

Candidates choose either **playback** or **improvising**, and can choose whether to use a microphone.

PLAYBACK

Professional musicians need excellent listening and sight reading skills. The playback test develops both.

Candidates choosing this option are required to perform some music they have not seen or heard before.

Candidates are given a song chart and have 30 seconds to study it and try out any sections. The starting note is given at the start of this period. The examiner then plays the backing track.

Candidates should listen to the backing track, repeating what they hear, reading the music from the song chart if they wish. The test consists of a series of short melodic phrases, and candidates should repeat each of these straight back in turn. A count-in is given at the beginning of the backing track, and a backing rhythm is played throughout.

In the exam, candidates have two chances to sing along with the track:

- ✔ First time – for practice
- ✔ Second time – for assessment

Candidates should follow the musical direction in the written score, and copy the expressive techniques heard on the track. No variation or improvisation is required – the song chart/recording should be copied as accurately as possible, including details of phrasing, articulation and dynamics. The music is printed without text and may be sung to any vowel (with or without consonant) or to sol-fa.

Technical expectations for the playback test are given in the table on pages 30-31.

All requirements are cumulative, meaning that tests may also include requirements from lower grades.

Sample tests are available in our Session Skills books (see page 52) and free examples can be downloaded from trinityrock.com

IMPROVISING

Improvisation is a key skill for contemporary musicians. Many of the best songs came from studio improvisation sessions. Improvisation skills allow singers to work with other musicians to bounce creative ideas around and develop their own songs or unique cover versions. When on stage, improvisation can help bring excitement and colour to the live performance. Improvisation can develop creative musicianship skills that unlock a variety of musical styles and technical ability. Our tests are designed to introduce candidates to improvisation gradually, creatively and with a range of supporting resources.

Candidates choosing this option are required to improvise in a specified style over a recorded backing track that they have not seen or heard before. The backing track consists of a passage of music played on a loop.

Candidates are given a chord chart and the examiner plays a short section of the backing track so they can get a feel for the tempo and style. They then have 30 seconds to study it and try out any sections. The examiner then plays the backing track.

Candidates should improvise in the given style over the backing track, which is played four times through before fading out. A count-in is given at the beginning of the recording, and a backing rhythm is played throughout.

In the exam candidates have two chances to sing along with the track:

- ✔ First time – for practice
- ✔ Second time – for assessment

Candidates are responsible for choosing a suitable tone quality and using appropriate expressive techniques to communicate the style of the music. This may include (depending on the grade of exam being taken): choosing a suitable phrase or lyric; changing the vocal tone, range and rhythmic pattern at some point to add contrast and develop the material sung; using a variety of dynamic levels; use of sustained phrases, vocal effects and articulations appropriate to the style. The music is printed without text and may be sung to any vowel (with or without consonant) or to sol-fa.

Technical expectations for the improvisation test are given in the table on pages 32-33.

All requirements are cumulative, meaning that tests may also include requirements from lower grades.

Sample tests are available in our Session Skills books (see page 52) and free examples can be downloaded from trinityrock.com

EXAM GUIDANCE: MARKING

HOW THE EXAM IS MARKED

The examiner gives comments and marks for each section of the exam, up to the maximums listed on page 15.

It is not necessary to pass all sections or any particular section in order to achieve a pass overall. No marks are awarded for a section if no attempt is made.

The total mark for the exam corresponds to different attainment levels as follows:

Overall mark	Attainment level
87-100	DISTINCTION
75-86	MERIT
60-74	PASS
45-59	BELOW PASS 1
0-44	BELOW PASS 2

HOW THE SONGS ARE MARKED

Each song is awarded three separate marks corresponding to three specific musical components, allowing candidates to receive precise feedback about specific aspects of their performance. These marks combine to give an overall mark for the song.

The three components are:

Fluency & security

Fluency, synchronisation with the backing track, security in notes and rhythm.

Technical control

Ability to control the voice effectively, achieving the various technical demands of the song; sound quality.

Communication & style

Stylistic understanding (eg mood and character), musical detail (eg dynamics and articulation), audience engagement.

Marks are awarded for these, to form a maximum total mark for each song as follows:

Songs 1 & 2	Song 3	Component
8	8	FLUENCY & SECURITY
8	12	TECHNICAL CONTROL
9	10	COMMUNICATION & STYLE
25	30	TOTAL MAXIMUM MARK FOR EACH SONG

The marks for song 3 are different because higher marks are awarded under technical control to reflect the two areas of technical focus.

Total marks awarded for songs correspond to the attainment levels as follows:

Songs 1 & 2	Song 3	Attainment level
22-25	26-30	DISTINCTION
19-21	22-25	MERIT
15-18	18-21	PASS
11-14	14-17	BELOW PASS 1
0-10	0-13	BELOW PASS 2

HOW SESSION SKILLS ARE MARKED

Session skills are awarded a single mark that corresponds to different attainment levels as follows:

Overall mark	Attainment level
17-20	DISTINCTION
15-16	MERIT
12-14	PASS
9-11	BELOW PASS 1
0-8	BELOW PASS 2

EXAM INFRINGEMENTS

All exam infringements (eg choosing an incorrect piece) will be referred directly to Trinity's central office by the examiner. Exam reports may be withheld until the outcome of any referral has been considered by Trinity. Depending on the severity of the infringement, marks may be deducted or, in extreme cases, the exam may be invalidated.

MALPRACTICE

In situations where a centre is found to be inadequate or to be guilty of malpractice, either in terms of provision of facilities or in administration, the exam centre may be required to suspend all of its activities relating to Trinity exams until the cause of the problem is identified and rectified, if appropriate. In extreme circumstances, the centre may have its registered status withdrawn.

In the very rare cases or circumstances where a centre or individual may be suspected of malpractice, Trinity will aim to minimise any inconvenience caused to any affected candidate, and would like to thank candidates, teachers and centre staff for their kind co-operation in reporting any suspected incident of cheating, thereby assisting Trinity in upholding the quality and integrity of its exam process.
