Singing Syllabus 2015-2017

Introduction

I am delighted to introduce this syllabus containing details of grade exams for singing.

Like all Trinity College London ('Trinity') syllabuses, this syllabus is designed to enable candidates of all levels and abilities to demonstrate their skills in a way that suits their individual needs as learners. It does this by offering unrivalled flexibility of choice within each section of the exam, as well as giving candidates the opportunity to express their own musical identities through options to improvise and perform original compositions. Underpinning these innovative features is a uniquely diagnostic mark scheme, ensuring that candidates receive precise and specific feedback to inform their continued learning.

Trinity aims to treat each candidate individually when considering how we can make our exams accessible to all, recognising that requirements vary. Please visit www.trinitycollege.com/music ('our website') for more information or contact us directly to discuss any specific requirements.

We hope you enjoy exploring the music on offer in this syllabus, and we wish you every success in your exams and wider music-making. Further information on all our exams, as well as additional supporting materials for teachers and candidates, can be found on our website.

Francesca Christmas

Head of Academic Governance – Music

Trinity accepts entries for its exams on the condition that candidates conform to the requirements of the appropriate syllabus. Any amendments to the requirements will be published and advertised via our website and in subsequent imprints.

Trinity College London is an awarding body recognised by the Office of Qualifications and Examinations Regulation (Ofqual) in England and Northern Ireland, and by Qualifications Wales (QW). Trinity's qualifications are regulated by these authorities within the Regulated Qualifications Framework (RQF). Various arrangements are in place with governmental education authorities worldwide.

In the UK, Trinity's Grade 6-8 exams can contribute towards entry into higher education through the allocation of UCAS points. Please see our website for full details.

Why take a Trinity grade exam?

Recognising that there is no single approach to musical assessment, Trinity's grade exams are guided by a core philosophy of flexibility, placing the needs of individual candidates at the heart of the exam. This is done by:

- ▶ offering freedom of choice within the exam to enable candidates to play to their strengths
- ▶ examining real musical skills that are specific to each instrument or the voice
- ▶ allowing candidates to express their own musical identities through options to improvise and present original compositions
- ▶ using a diagnostic mark scheme, offering precise and specific feedback to inform continued learning
- ▶ linking closely with Trinity's other music qualifications to provide flexible progression routes
- ▶ drawing on Trinity's many relationships around the world to feature repertoire inspired by a range of musical genres, as well as exciting new works by up-and-coming composers.

As well as incorporating these innovative features, Trinity's music grade exams are delivered by a panel of friendly examiners who are rigorously trained and standardised. This aims to create a positive and personalised experience for all candidates.

Range of qualifications

Trinity's music qualifications offer flexible progression routes from beginner to advanced levels in a range of musical genres. All are designed to help candidates develop as musicians according to their individual needs as learners.

Grade exams assess a broad range of musicianship skills, including performance, while certificate exams focus entirely on performance, including separate marks for stagecraft. Candidates can enter any combination of grade or certificate exams, and do not need to pass any particular level in order to proceed to a higher level.

Each level features an equivalent grade theory exam, supporting candidates in developing their understanding of the technical language of music. However, no theory qualifications or other prerequisites are required to enter grade or certificate exams at any level.

After Grade 8 or the Advanced Certificate, candidates can progress to diplomas at associate (ATCL), licentiate (LTCL) and fellowship (FTCL) levels. These assess higher skills in performance, teaching, theory and composition. Adults who work as music educators may also wish to consider Trinity's Level 4 Certificate for Music Educators (Trinity CME).

This syllabus focuses on grade exams in singing. Visit our website for more information about other grade exams, certificate exams, diplomas, the Trinity CME, and Music Tracks – an initiative designed to support teachers in delivering large- and small-group instrumental tuition.

About this syllabus

The objective of Trinity's grade exams is to provide a framework for progress and enjoyment in musical performance. They assess musical performance, technical ability and responses to set musical tests through live practical assessment. They offer learners of any age the opportunity to measure their development as performers against a series of internationally understood benchmarks, taking them from beginner level to the point at which they can progress to higher education in music, or enter for Trinity's performance diplomas.

This syllabus is designed to give singers the freedom and choice to demonstrate the full extent of their musicianship. Extensive and wide-ranging repertoire lists are provided, with few limitations placed on programme selection. Technical work includes the option to perform an unaccompanied folk song as an alternative to vocal exercises, and there is flexibility of choice within the supporting tests at all grades.

In response to requests from teachers and candidates, unaccompanied sight reading at Grades 6-8 has been replaced with accompanied sight reading. This means that the sight reading test will be accompanied at all grades from 1 January 2015 onwards.

Syllabus support materials, teaching resources and discussion forums can be found on the Trinity Music Support pages of our website.

The following pages provide more detail on the different sections of the exam.

		Supporting test 2 One of the following: improvisation <i>or</i> aural	10
Total	100		100

Comments and marks are given for each section of the exam, up to the maximums listed in the table above. It is not necessary to pass all sections or any particular section in order to achieve a pass overall. The total mark for the exam corresponds to different pass/below pass bands as follows:

Pass/below pass bands

Overall mark	Band
87-100	Distinction
75-86	Merit
60-74	Pass
45-59	Below pass 1
0-44	Below pass 2

Order of the exam

Candidates may present the sections of the exam in an order of their choice, and should indicate their preferred order on the appointment form. This should be given to the examiner at the start of the exam. If no preference is indicated, songs are heard first, followed by technical work and supporting tests.

Length of the exam

Exams are designed to allow sufficient time for setting up and presenting all sections. Candidates should note that over or under running by more than 10% of the durations listed in the table below may result in marks being deducted.

Level	Exam duration (minutes)	Suggested programme duration, including breaks
Initial	11	5
Grade 1	13	7
Grade 2	13	7
Grade 3	13	7
Grade 4	18	9
Grade 5	18	9
Grade 6	23	13
Grade 7	23	13
Grade 8	28	15

Songs

Song choice and programming

- ▶ Candidates must create a programme consisting of three songs at Initial-Grade 5 or four songs at Grades 6-8. Suggested programme durations for each grade are given above.
- ▶ Except at Initial, songs are divided into groups based on style and genre. No more than two songs may be chosen from any one group. There is no requirement to choose songs from any particular group, except at Grades 6-8, where at least one song must be chosen from Group A.
- ▶ Candidates may not perform more than one song by the same composer.
- ▶ Songs may be translated into English or sung in any other published singing translation at Initial-Grade 5.
- ▶ Songs must be sung in the original language at Grades 6-8 unless otherwise stated.
- ▶ Programmes must include at least two living languages (ie not Latin) at Grades 6-8. This may include English.
- ▶ Songs that are indicated as (F) or (M) have been identified as being more suitable for either female or male candidates. However, this information is provided as guidance only, and candidates may choose to ignore it.
- ▶ All songs may be performed in any key, published or transposed, except for items in the Opera, operetta, sacred and oratorio section of Group A at Grades 6-8, which must be sung in the published key. Songs in this group written before 1750 may be performed at baroque pitch (one semitone lower) at the candidate's discretion.
- ▶ From Grades 6-8 in group A, where songs are grouped by voice type, candidates must adhere to the specified voice type and key except where established performance precedent allows for a different voice type or key.

- ▶ Ranges and keys are given alongside each song. Where several versions of a song are available, the highest is listed first, with keys of lower versions following in square brackets. Alternatives to highest or lowest notes are shown in parentheses. Pitch notation used for ranges follows the Helmholtz system:

Performance and interpretation

- ▶ All songs must be prepared in full unless particular verses are specified. An exception to this is where the programme would exceed the suggested duration (see above). In this case, candidates may use their discretion and omit verses or directly repeated sections from one or more songs, as long as the meaning of the words is retained and the performance is musically convincing.
- ▶ All *da capo* and *dal segno* instructions must be observed.
- ▶ Candidates are encouraged to use appropriate ornamentation, particularly at Grades 6-8.
- ▶ All tempo and performance markings should be observed (eg Allegro, rall., *cresc.*). Metronome marks are given as a guide but do not need to be observed exactly, as long as the style and character of the piece is maintained.
- ▶ Candidates may perform any or all of their songs from memory, which may improve note security and confidence. Although this is not compulsory and no additional marks are given for this, over-reliance on the score may inhibit communication and this can be reflected in the marks awarded.

Accompaniments and page turns

- ▶ Candidates are responsible for providing their own accompanists and may not accompany themselves, unless they are performing an own composition. Pieces published with an accompaniment may not be performed unaccompanied.
- ▶ Accompaniments on instruments other than piano, for example guitar or lute, must be approved by Trinity's London office before the day of the exam. Please note that non-piano accompaniments can be approved only if musically appropriate (eg where the published piano accompaniment is an arrangement of a part written for a different instrument). In all cases, accompaniment must be provided on a single instrument.
- ▶ Where accompaniments feature long introductions or endings, these should be shortened if possible in a way that is musically appropriate.
- ▶ Difficult page turns may be overcome by photocopying the relevant pages. Page turners may assist the accompanist at Grades 6-8.
- ▶ Accompanists and page turners may only remain in the exam when required.
- ▶ Candidates may use a backing track or recording of the piano accompaniment in exams up to and including Grade 3. Recorded accompaniments need not be commercial products, but must be of a good quality and must not change the difficulty of the song (eg by including the solo part where it is not included in the piano accompaniment).
- ▶ Candidates must provide and operate their own playback equipment where recorded accompaniments are used. Equipment must produce a good sound quality at an adequate volume. Contact should be made with the centre well in advance to confirm the arrangements (power supply, equipment insurance, etc) which must be agreed with the Trinity local representative. All electrical devices must comply with the health and safety requirements applicable in the country where the exam is taking place.

Music and copies

- ▶ Candidates are responsible for obtaining the music for their exam in good time prior to entering. Candidates are advised to check the availability of songs before deciding to perform them.
- ▶ Recommended editions are listed in the syllabus, but candidates may perform from any edition as long as it has not been shortened or otherwise simplified. Where a particular edition must be used, this is indicated in the syllabus. Product codes for publications are included where available.
- ▶ Guidelines regarding the legitimacy of all forms of sheet music can be obtained from the UK Music Publishers Association's Code of Fair Practice, available at www.mpaonline.org.uk. Candidates must comply with copyright and other intellectual property laws in the country where the exam is taking place.
- ▶ In accordance with the Code of Fair Practice, candidates must produce original copies of all songs to be performed at the exam, even if songs have been memorised, handwritten or typeset. Songs where no original copy has been provided may be awarded no marks.
- ▶ Candidates must provide photocopies of all songs (excluding Trinity publications) to be performed as a reference for the examiner. Photocopies will be retained by the examiner and destroyed after the exam.
- ▶ Where music has been downloaded, candidates must bring proof of purchase or the web address where it was accessed for the examiner's reference.

Own composition

Candidates can choose to present an own composition as one of their songs. The focus of the assessment for this is on performance, using the same assessment criteria as for all other songs. Marks will not be awarded for the quality of the composition.

Candidates should note that:

- ▶ the technical and musical demands of the own composition must be comparable to the songs listed at the same grade.
- ▶ own compositions may be accompanied or unaccompanied.
- ▶ own compositions should largely be candidates' unaided work, although teachers may offer guidance as necessary.
- ▶ own compositions at Initial-Grade 5 may be notated in any coherent form, including graphic score or lead sheet. Own compositions at Grades 6-8 must be notated on a staff. Marks will be deducted if notation is incomplete or inaccurate, or if the performance varies significantly from the notation.
- ▶ notation may be handwritten, typeset or produced electronically.
- ▶ a copy of the own composition must be given to the examiner at the start of the exam.
- ▶ if lyrics are included, a translation must be provided if these are in a language other than English.
- ▶ for the own composition option only, candidates may accompany themselves if they wish.

Durations and compositional brief for own compositions:

Grade	Duration (minutes)	Requirements
Initial-Grade 3	1.5-2.5	A setting of any poetry or prose
Grades 4-5	2.5-3.5	
Grades 6-8	3.5-4.5	

Mark scheme for songs

Each song is awarded three separate marks corresponding to three different musical components, allowing candidates to receive precise feedback about specific aspects of their performance. These marks combine to give an overall mark for the song.

The three components are as follows:

- ▶ **fluency and accuracy:** the ability to perform fluently, with a stable pulse and with an accurate realisation of the notation
- ▶ **technical facility:** the ability to control the voice effectively, encompassing the various technical demands of the music
- ▶ **communication and interpretation:** the interpretation of the music and the way the performance conveys a sense of stylistic understanding and audience engagement.

Marks are awarded for these to form a maximum total mark for each song as follows:

	Initial-Grade 5 (maximum mark)	Grades 6-8 (maximum mark)
Fluency and accuracy	7	5
Technical facility	7	5
Communication and interpretation	8	7
Total mark for each song	22	17

Total marks awarded for songs correspond to the pass/below pass bands as follows:

Total mark for each song at Initial-Grade 5	Total mark for each song at Grades 6-8	Band
19-22	16-17	Distinction
16-18	13-15	Merit
13-15	10-12	Pass
10-12	7-9	Below pass 1
3-9	3-6	Below pass 2

Technical work

This section of the exam supports the development of technical skills by assessing candidates' performance in one of three technical work options:

- i) Bray vocal exercises
- ii) Vaccai studies
- iii) unaccompanied folk song

Specific information about each level's technical work options is given at the end of the song list for each grade. Candidates should note that:

- ▶ All technical work must be performed from memory.
- ▶ Technical work may be sung in any key, either published or transposed. Where there are multiple exercises for the grade and candidates are performing transposed versions, each exercise must be transposed by the same interval.
- ▶ The accompanist must provide the piano accompaniment, key notes or chords where required, except for the unaccompanied folk song, where candidates may provide their own key chord and starting note.
- ▶ The Vaccai exercises must be sung in Italian.
- ▶ The unaccompanied folk song must be the version from *The Language of Folk* specified for the grade. Own choice unaccompanied folk songs are not permitted.

Mark scheme

Technical work is awarded a single mark that corresponds to the pass/below pass bands as follows:

Mark: Initial-Grade 5	Mark: Grades 6-8	Band
13-14	11-12	Distinction
11-12	9-10	Merit
9-10	7-8	Pass
7-8	5-6	Below pass 1
1-6	1-4	Below pass 2

Information about the assessment criteria that support this mark scheme is available on our website.

Supporting tests

This section of the exam supports the development of broader musical skills by assessing candidates in two different supporting tests. At Initial-Grade 5, candidates choose two supporting tests from the following options:

- ▶ sight reading
- ▶ aural
- ▶ improvisation
- ▶ musical knowledge

At Grades 6-8, all candidates are assessed in sight reading, and must choose between aural and improvisation for their second supporting test.

Mark scheme

Each supporting test is awarded a single mark that corresponds to the pass/below pass bands as follows:

Mark	Band
9-10	Distinction
8	Merit
6-7	Pass
4-5	Below pass 1
1-3	Below pass 2

Information about the assessment criteria that support this mark scheme is available on our website.

Sight reading

This test assesses candidates' ability to perform an unseen musical extract, at a level approximately two grades lower than the exam being taken.

Candidates are given 30 seconds to study the test before performing it, during which time they may practise any or all of it aloud (unaccompanied). The tonic chord and starting note are given at the start of this period, and candidates may ask the examiner to re-sound the starting note at any time during the 30 seconds. The examiner does not mark this preparation period.

At all grades, the test is accompanied by the examiner at the piano, including a short introduction. The examiner gives the tonic chord and starting note one more time before playing the introduction. As no lyrics are given, candidates may sing with any

appropriate vowel sound or use tonic (relative) sol-fa. Higher and lower voice options are available from Grade 4 onwards. At Grades 6–8, candidates may choose to read the test in either treble or bass clef.

Examples of sight reading tests may be found in Trinity's *Sound at Sight* series, available from our online shop* or your local music retailer. Further examples of accompanied sight singing for Grades 6–8 may be found on our website.

Tests comply with the musical parameters listed in the table below. Lists are cumulative, meaning that tests may also include requirements from preceding grades.

Aural

The parameters for aural tests have changed. Changes apply to all exams taken from 1 January 2017 onwards. Please note that there is no overlap for supporting tests, and the previous aural tests cannot be offered after 31 December 2016.

This test supports the development of candidates' abilities in the field of musical perception by assessing their responses to carefully graded questions. Questions are detailed in the table below and based on a single musical example, performed at the piano by the examiner. Practice tests can be found in Trinity's *Aural Tests from 2017* books, available from www.trinitycollege.com/shop or your local music retailer.

Improvisation

The requirements for the improvisation test have changed. Changes apply to all exams taken from 1 January 2017 onwards. Please note that there is no overlap for supporting tests, and the previous improvisation test cannot be offered after 31 December 2016.

This test assesses candidates' ability to improvise fluently, coherently and creatively in response to a musical stimulus. Candidates must choose a stimulus from the following three options, indicating their choice of stimulus on the appointment form:

- ▶ stylistic
- ▶ motivic
- ▶ harmonic

Stylistic stimulus

The stylistic stimulus requires candidates to improvise over a notated piano part played by the examiner. Candidates are given a stimulus which includes the notated piano part and chord symbols. The stimulus begins with a two-bar introduction played by the examiner alone, followed by a further section over which candidates must improvise for a specified number of repeats. In the exam, the examiner plays the stimulus twice for candidates' reference, without repeats. Candidates are then given 30 seconds' preparation time, during which they may prepare for their improvisation aloud if they wish. The test then follows. The examiner then plays the stimulus again, and candidates join after the introduction, improvising for the specified number of repeats. Candidates should aim to improvise in a way that complements the musical idiom of the stimulus.

Motivic stimulus

The motivic stimulus requires candidates to improvise unaccompanied in response to a short melodic fragment. Candidates are given a notated melodic fragment which the examiner plays twice on the piano for candidates' reference (candidates are not required to play this back). Candidates are then given 30 seconds' preparation time, during which they may prepare for their improvisation aloud if they wish. The test then follows. Candidates should aim to improvise within the specified duration range and may begin by quoting the stimulus directly, developing their improvisation from there. However, candidates are not required to quote the stimulus directly, and may instead develop their improvisation from ideas taken from the stimulus such as a small group of notes or an interval.

Harmonic stimulus

The harmonic stimulus requires candidates to improvise unaccompanied in response to a chord sequence. Candidates are given a notated chord sequence, including chord symbols, which the examiner plays twice on the piano for candidates' reference. Candidates are then given 30 seconds' preparation time, during which they may prepare for their improvisation aloud if they wish. The test then follows. Candidates should improvise for the specified number of repeats, following the chord sequence. Responses should contain melodic/rhythmic interest. Please note that this test is always unaccompanied and the examiner will not provide a piano accompaniment for melodic instruments.

Parameters for improvisation

All stimuli comply with the musical parameters listed in the tables on the following page. Lists are cumulative, meaning that tests may also include requirements from preceding grades. Further guidance and example stimuli can be found on our website.

Musical knowledge (Initial-Grade 5 only)

This test assesses candidates' understanding of the songs they perform, as well as their knowledge of notation and their voice. It does this by assessing their responses to carefully graded questions based on candidates' three chosen songs. Questions refer to the vocal line only.

In the exam, candidates are invited to choose which song they would like to be asked questions about first. The examiner then chooses a second song for the remaining questions. Candidates' scores should be free of annotations which might aid their responses. The examiner will usually point to the relevant part of the score when asking questions. American terms (eighth note, half note, etc) may be used as an alternative to English terms (quaver, minim, etc).

Example questions and responses are given in the table below. Further guidance is available on our website.

Information and regulations

The following section contains key information and regulations that apply to all of Trinity's graded music exams. Please note that Trinity's separate *Information & Regulations* booklet gives more detailed guidance and can be downloaded from our website.

Entry requirements

- ▶ There are no age requirements or limitations for any Trinity grade exams.
- ▶ Candidates may enter any combination of grades and do not need to pass any particular level in order to proceed to a higher level. In addition, no theory qualifications or other prerequisites are required to enter grades at any level.
- ▶ Candidates may enter for more than one grade exam in the same or different subjects at the same session, but no more than one entry will be accepted per candidate per session in the same grade and subject.

Candidates with special needs

- ▶ Trinity is committed to creating an inclusive environment where candidates with special needs are able to demonstrate their skills and feel welcomed. We aim to make our exams accessible to all. We treat each learner individually when considering how we can achieve this aim, recognising that requirements vary. Candidates can be assured that we do not compromise on the standard of marking or allow the quality of exams to be affected in any way. If a candidate has any special needs, we will try to help. Of course, we will not make any change that affects the assessment standards. We will treat each request individually, so please visit our website or contact us to discuss your requirements.

Exam centres

- ▶ Exams can be taken at one of Trinity's public exam centres which are available throughout the world. Details of these are available on our website. Candidates should contact the local Trinity representative for more information.
- ▶ In the UK and Ireland, schools and private teachers with sufficient candidates may apply to enter under the Examiner Visit Scheme. Further details are available on our website.

Entry process

- ▶ Exam entries may be submitted by a teacher, parent or guardian, or by candidates themselves if they are aged 18 or over. Correspondence will be conducted with this person only.
- ▶ All entries must be made on an official Trinity entry form and sent to the local Trinity representative along with the correct entry fee in advance of the closing date for application to the exam. Closing dates and contact details for local representatives can be found on our website.
- ▶ Cheques should be made payable to Trinity College London. A receipt will only be provided if the appropriate section of the entry form is completed and a stamped addressed envelope supplied.
- ▶ Where possible, the Trinity representative will seek to meet a request for a specific exam date if it is clearly specified on the entry form, but this cannot be guaranteed. Requests for morning or afternoon appointments will be observed where possible, but requests for precise times cannot be accepted. Please note that exam dates may occasionally need to be changed from those published.

- ▶ By entering for a Trinity exam, candidates agree to abide by Trinity's regulations, syllabus requirements and the professional judgements of its examiners.
- ▶ Entries at one centre may be transferred to another centre for a fee, but cannot be deferred to a later exam session. In the case of a transfer, a new entry form must be completed and the appropriate fee must be paid (please contact Trinity's London office for further details). Entries may not be transferred from one candidate to another.
- ▶ Trinity is required to collect candidates' dates of birth in order to produce anonymised statistical information for various government and educational bodies. If this information is not provided on the entry form then the entry process may be delayed.

Inaccurate and late entries

- ▶ If an entry form is incomplete, it may be refused.
- ▶ Candidates' names as shown on the entry form will be used when producing certificates for successful candidates. Please ensure that all details on the entry form are complete and accurate.
- ▶ If you require a correction to be made on an entry form or to details held about you on Trinity's database, please contact your Trinity representative.
- ▶ Please note that entries will not be accepted if received less than 14 days before the exam date. Late entries received less than 14 days before the exam date may be accepted at the discretion of the Trinity representative, depending on availability. Please contact your Trinity representative before submitting a late entry.
- ▶ Entries which are received following the application closing date will be subject to the following surcharges:
 - for late entries received up to 21 days before the exam date: + 50% of the entry fee
 - for late entries received between 20 and 14 days before the exam date: + 100% of the entry fee.
- ▶ Trinity makes no guarantee that acceptance of a late entry will result in the exam taking place. If a late entry is accepted but an exam slot is not available, Trinity may at its discretion refund the entry fee, although the surcharge fee will be retained in all cases to cover administration costs.

Exam appointments

- ▶ Once the entry has been processed, your local Trinity representative will send an appointment form giving details of the date, time and place of the exam, along with the candidate's ID number and their instrument and grade. This will normally be sent 21 days before the date of the exam.
- ▶ If there are any errors in the information specified on the appointment form, please notify your Trinity representative immediately. An incorrect exam subject or grade cannot be altered on the day of the exam, but any misspelling of the candidate's name should be pointed out to the examiner.
- ▶ The appointment form must be handed to the examiner on entering the exam room. Before the exam, candidates should ensure that they have filled in the names of the pieces that they will be playing and their choice of technical work and supporting tests.

On the day

- ▶ Candidates are advised to arrive at least 15 minutes before the start of the exam to allow time for warming up and any other necessary preparation. Candidates who arrive late may find that their exam cannot be conducted, although every effort will be made to accommodate them.
- ▶ Public centres administered by Trinity will endeavour to provide waiting and warm-up facilities wherever possible, but Trinity cannot guarantee this.
- ▶ Candidates are responsible for their own property at all times. Trinity will not accept any liability in the event of candidates' instruments or other property being lost, stolen or damaged, either while in transit to or from the exam centre or at any time before, during or after the exam.

In the exam

- ▶ Each exam room is equipped with a tuned piano, an adjustable stool and a music stand. Where exams are taking place under the Examiner Visit Scheme, a digital piano may be used, as long as the instrument is sufficient to allow candidates to demonstrate the full extent of their musicianship. A digital piano may only be used where candidates have been notified in advance and have given their consent.
- ▶ Candidates may sing a few notes before the exam begins to help them adjust to the acoustics of the room.
- ▶ Candidates can choose where to direct their performance, but the examiner may offer advice on the best position to stand and look in the exam room for effective communication.
- ▶ The examiner may choose to curtail performances once they have formed a judgement.
- ▶ Generally, only one examiner will be present in the exam room. However, for training and quality assurance purposes, another examiner may also be present.
- ▶ Interpreters are allowed for candidates whose first language is not English and where candidates do not have sufficient English language fluency to meet the communication requirements of the exam. Candidates are responsible for all arrangements with and costs of interpreters, whose involvement must be agreed with the centre in advance of the exam. Interpreters must not assist candidates beyond interpreting. If the examiner suspects that interpreters are assisting candidates inappropriately, they will refer the matter to Trinity's London office.

Exam recordings

- ▶ Trinity audio records all grade exams for quality assurance purposes.
- ▶ Trinity exams are also sometimes filmed for training and quality assurance purposes. In such cases, Trinity will always seek permission from the candidate or parent/guardian first. Candidates may refuse to be filmed at any point and may request for footage to be deleted without giving a reason.
- ▶ All audio and visual recording devices will be discreet and should not cause any distraction to candidates.
- ▶ Examiners will not refer to recordings when making their assessments. Trinity's recordings of exams (film and audio) will not be released to candidates under any circumstances after the exam.

- ▶ Candidates and accompanists are not authorised to make any recordings of an assessment. If made, such recordings will be confiscated on the spot and may invalidate the exam

Exceptional circumstances

- ▶ If candidates are ill and cannot take an exam as planned, the Trinity representative must be informed as soon as possible. The person who signed the entry form may apply to the Trinity representative for a re-entry permit by providing a medical certificate current for the date of the exam and the appointment form originally issued.
- ▶ The re-entry application must be made no later than 30 days after the exam date. The Trinity representative will forward the medical certificate and appointment form to Trinity, who will issue a re-entry permit for an exam at the same level in the same subject.
- ▶ A re-entry permit can be used for an exam within 21 days to 12 months of the original exam date upon payment of 50% of the entry fee current at the new date of entering. If a permit is used towards entry for an exam at a higher level, any difference in fee is also payable.
- ▶ If candidates wish to postpone or cancel an exam, the original fee will not be refunded. There are special arrangements in case of genuine compassionate circumstances. Trinity will not offer re-entry permits for non-medical reasons, though sympathy will be shown to genuine cases in which appropriate evidence is provided.

Results, reports and certificates

- ▶ All candidates receive a written report. Examiners issue reports only to the Trinity representative, and are not allowed to give details of reports or results in any other way. In turn, Trinity representatives will despatch those reports to the person who signed the application form.
- ▶ Report forms are normally issued within a week of completion of a centre's exam session, although in circumstances where a particularly large number of candidates attended the same exam session, Trinity representatives may issue report forms on a fortnightly basis.
- ▶ In the case of successful candidates, results are provisional until confirmed by the issue of a certificate six to eight weeks after the end of the exam session.
- ▶ Certificates show the date, centre, subject, and level achieved by a successful candidate, as well as the name of their teacher and school (if requested). The personal details shown on certificates will be taken from those recorded on the entry form.
- ▶ Trinity cannot accept responsibility for the non-arrival of any exam report or certificate after it has been posted. Please refer to Trinity's website or contact your local representative for information about replacement certificates and certifying statements.

Syllabus infringements

- ▶ All syllabus infringements (eg choosing an incorrect song or technical work item) will be referred directly to Trinity's London office by the examiner. Exam reports may be withheld until the outcome of any referral has been considered by Trinity. Depending on the severity of the infringement, marks may be deducted or, in extreme cases, the exam may be invalidated.

Results review and appeals procedure

- ▶ Anyone who wishes to question the outcome of their exam result should refer to www.trinitycollege.com/resultsenquiry for full details of our results review and appeals process.

Policies

Equal opportunities

Trinity is committed to providing equality of opportunity and treatment for all, and will not unlawfully or unfairly discriminate directly or indirectly on the basis of any characteristic.

Child protection

Trinity College London exams are delivered in full compliance with the requirements of the UK's Children's Act 1989 and other relevant legislation. Trinity has also implemented a policy relating to child protection, full details of which can be found on our website.

Data protection

Trinity College London is registered as a Data Controller with the Information Commissioner's Office in the United Kingdom under the Data Protection Act 1998. Please see our website for the most up-to-date information about its data protection procedures and policies. You can write to the Data Protection Officer at Trinity's London office for further information.

Customer service

Trinity strives to update and improve its syllabuses where necessary. Amendments and additions are regularly published on our website, which is also a source of general information about Trinity and its products and services. A Customer Service Statement is available on our website.

Malpractice

Trinity requires its registered exam centres to report any suspected malpractice by candidates, teachers or examiners. In situations where a centre is found to be inadequate or to be guilty of malpractice, either in terms of provision of facilities or in administration, the exam centre may be required to suspend all of its activities relating to Trinity exams until the cause of the problem is identified and rectified, if appropriate. In extreme circumstances, the centre may no longer be permitted to act as an exam centre registered with Trinity.

In the very rare cases or circumstances where a centre or individual may be suspected of malpractice, Trinity will aim to minimise any inconvenience caused to any affected candidate, and would like to thank candidates, teachers and centre staff for their kind co-operation in reporting any suspected incident of cheating, thereby assisting Trinity in upholding the quality and integrity of its exam process.

Music publishers

Non-UK publishers may have different local agents in other parts of the world who may be able to supply music more easily or quickly. Details of these may be obtained by contacting the publishers directly.
