Task 1

Hi Martina,

I live in a flat in Salton. It's near my college. There are five flats in the building. I live with my brother Pawel. Our flat is on the ground floor. There are two flats on the first floor. My friend Tanya lives in one flat. She lives next to Solomon.

Two brothers from Thailand live on the second floor. They are friendly.

Marco and Antonio live on the third floor. They are cousins. Marco works in a bank. He likes the flat. His bedroom is big. Antonio studies at college with me. He doesn't like his room. It is small.
