

DR FAUSTUS

Christopher Marlowe

FAUSTUS: Ah, Faustus,
Now hast thou but one bare hour to live,
And then thou must be damn'd perpetually.
Stand still, you ever-moving spheres, of heaven,
That time may cease, and midnight never come;
Fair nature's eye, rise, rise again, and make
Perpetual day; or let this hour be but
A year, a month, a week, a natural day,
That Faustus may repent and save his soul.
O lente lente currite noctis equi!
The stars move still, time runs, the clock will strike,
The devil will come, and Faustus must be damn'd.
O, I'll leap up to any God! Who pulls me down?
See, see where Christ's blood streams in the firmament?
One drop would save my soul, half a drop. Ah, my Christ
Rend not my heart for naming of my Christ;
Yet will I rail on him. O, spare me, Lucifer!-
Where it is now? Tis gone: and see where God
Stretcheth out his arm and bends his ireful brows.
Mountains and hills, come, come, and fall on me,
And hide me from the heavy wrath of God!
No, no:
Then will I headlong run into the earth.
Earth, gape? O, no, it will not harbour me.
You stars that reign'd at my nativity,
Whose influence hath allotted death and hell,
Now draw up Faustus like a foggy mist
Into the entrails of yon labouring cloud,
That, when you vomit forth into the air,
My limbs may issue from your smoky mouths,
So that my soul may but ascend to heaven.
(*The watch strikes.*)
Ah, half the hour is pass'd: 'twill all be pass'd anon.
O God,
If thou wilt not have mercy on my soul,
Yet for Christ's sake, whose blood bath ransom'd me,
Impose some end to my incessant pain;
Let Faustus live in hell a thousand years,
A hundred thousand, and at last be sav'd.
O, no end is limited to damned souls.

| a n | t h o | l o | g y |

Why wert thou not a creature wanting soul?
Or why is this immortal that thou hast?
Ah, Pythagoras' metempsychosis, were that true,
This soul should fly from me and I be chang'd
Unto some brutish beast: all beasts are happy,
For when they die
Their souls are soon dissolv'd in elements;
But mine must live still to be plagu'd in hell.
Curs'd be the parents that engender'd me!
No, Faustus, curse thyself, curse Lucifer
That hath depriv'd thee of the joys of heaven.
The clock striketh twelve,
O, it strikes, it strikes! Now, body, turn to air,
Or Lucifer will bear thee quick to hell!
(Thunder and lightning.)
O soul, be chang'd into little water drops,
And fall into the ocean, ne'er be found.
(Enter Devils.)
My God, my God! Look not so fierce on me!
Adders and serpents, let me breathe awhile!
Ugly hell, gape not! Come not, Lucifer;
I'll burn my books !Ah, Mephostophilis!
Exeunt with him *(Exeunt LUCIFER and BEELZEBUB.)*
