## **PART 2: TERMS OF SERVICE**

### **4. Order processes for Services**

- 4.1 In the event that you wish to place an order for a Service, which includes orders for products (an "**Order**"), you may need to register an Account with us first in accordance with clause 9, and then you will need to follow the relevant procedure set out on the Platform (or applicable Trinity Partner Platform) to submit your Order. You must be at least 18 years old to place an Order. The relevant order process will allow you to check and amend any errors before submitting your Order. Please check your Order carefully before confirming it, as once your Order is submitted we will begin processing it immediately. You are responsible for ensuring that your Order is complete and accurate. All Order processes are available in English , and, where indicated on the Platform in relation to the relevant Service, in Italian, and we will not file a copy of any contract formed between you and us.
- 4.2 Your Order constitutes an offer to us. We will confirm our acceptance of your Order by sending you an email confirming the information you included in your Order (including, for products, the delivery period) ("**Confirmation Email**"). These T&Cs will become binding on you at the point we send confirmation of your Order to you via email and will be incorporated into a contract between you and us in relation to such Order ("**Contract**"). For clarification purposes, the T&Cs which bind such Order under Contract will be the T&Cs that we presented to you during the Order process, immediately prior to you submitting your Order.
- 4.3 In respect of any Orders for Services which require the use of a Trinity Partner Platform, Trinity makes no representations, warranties or guarantees (whether express or implied) in relation to, and is not liable for, any act or failure to act by a Trinity Partner and the functioning of the applicable Trinity Partner Platform. Save as set out in clause 24 we assume no responsibility, and are not liable, for any damages resulting from any spyware or viruses, worms, logic bombs, time-bombs, keystroke loggers, cancelbots, "Trojan Horses" or anything else which is malicious or technologically harmful or that may infect computer equipment or other property resulting from the relevant user's access to, use of, or downloading of any materials, data, text, images, video, or audio from the Trinity Partner Platform.

You (and the relevant user) are responsible for implementing sufficient procedures and virus checks (including anti-virus and other security checks) to satisfy their particular requirements.

4.4 Further, in respect of any Orders which require the use of a Trinity Partner Platform, you must comply with the applicable terms and conditions of the relevant Trinity Partner. We will make those terms known to you via the relevant clauses in these T&Cs.

4.5 We reserve the right to provide a different Trinity Partner Platform or to modify or change our Services processes in the future in respect of such Trinity Partner Platforms for justified commercial, operational or legal reasons. Save as set out in clause 24, we shall not be liable to you, any relevant user or to any third party for any modification, suspension or discontinuance of any Trinity Partner Platform. If we provide a different Trinity Partner Platform, we will provide you with advance notice.

## 5. **Delivery**

5.1 If your Order is for a product:

5.1.1 The costs of delivery will be as displayed to you on the Platform or Trinity Partner Platform. We will agree a delivery period with you during the Order process, and will confirm such delivery period in the Confirmation Email. If our supply of the product is delayed by an event outside our control then we will contact you as soon as possible and we will take steps to minimise the effect of the delay.

5.1.2 If no one is available at the address to take delivery of the product, we will leave a note informing you of how to rearrange delivery or collect the product from a local depot. A product will be your responsibility from the time we deliver the product to the address provided. You own the product once we have received payment in full.

## 6. **Fees and payment**

6.1 Unless stated otherwise in these Terms of Services, the prices for the Services (and delivery, if applicable) are set out on the Platform (or Trinity Partner Platform), or they will be provided to you via an email from Trinity (the "**Fees**"). Unless stated otherwise in these Terms of Services, the Fees are inclusive of VAT and all other applicable taxes. If we cannot reasonably calculate the applicable taxes in advance, we will make that clear to you on the Platform or applicable Trinity Partner Platform and state the manner in which those taxes will be calculated.

6.2 Fees may be subject to change from time to time, however our Fee changes will not affect Orders for which a Contract already exists, unless you are a Business User wishing to renew or extend an existing fixed term Contract. In this scenario, the Fees may change upon renewal or extension.

6.3 Unless we agree otherwise, you shall pay the Fees using one of the payment methods set out in the Order process (the "**Payment Methods**"). You confirm that the card or bank account which is being used is yours, or that you have the authorisation of the account holder to use it. If you use a Payment Method which you are not authorised to use, you will be liable to us for any losses that we suffer as a result of your use of that Payment Method.

6.4 This clause 6.4 applies to you if you are resident in India. We use third-party payment aggregators ("**Payment Aggregators**") to facilitate payments via the Platform or Trinity Partner Platform. The processing of payments will be subject to the terms and policies of such Payment Aggregators in addition to these Terms of Service. We shall not be liable for any error by the Payment Aggregator. In the event of any unsuccessful payments, the money debited shall be credited back to the source account in accordance with the terms of the Payment Aggregator.

6.5 If you pay for the Services using a credit or debit card, you may also incur credit card or other transaction charges which, if applicable, are as quoted on our Platform or Trinity Partner Platform at the time of booking, and may change from time to time. In accordance with our [privacy statement](#),

we may disclose your personal details to our banking suppliers so that they may process your payment in a secure online environment. Trinity does not itself store or use card information.

6.6 Unless we agree otherwise, or Trinity indicates that it will send you an invoice for payment, the relevant Fee must be paid in full by credit or debit card at the time of submitting your Order. This can be done by following the prompts that will appear on-screen on the Platform or Trinity Partner Platform.

6.7 If you pay for the Services using a credit or debit card, and if your credit or debit card is declined, you will be notified of this on screen and your Order will not be processed. You will be responsible for completing and submitting a new Order using a valid form of payment.

6.8 If you pay for the Services using a credit or debit card, you should be aware that online payment transactions are subject to validation checks by your card issuer and we are not responsible if your card issuer declines to authorise payment for any reason.
