

TRINITY GUILDHALL

Foundation: stories to read, tell and act

Introduction

Here is a collection of stories from all over the world.

Some of them are complete and others are parts of longer stories.

You can learn them by heart or tell them in your own words.

You can use all or part of them.

Some of the stories are written as plays but you can also make any of the other stories into plays by acting them out either on your own, with a partner or in a group.

There are many ways of telling a story.

The most important thing is that you enjoy the story you are telling and find ways of sharing it with an audience.
