This examination paper contains two tasks. You must complete both tasks.

Task 1 – Reading into writing task

You receive a letter from a friend in Australia. Read the letter below and then, **in your own words**, write a reply (approximately 75 words) to your friend:

- i) answering her questions **and**
- ii) asking her about the weather in Australia at the moment.

May 2008

Dear Friend,

I hope you're well. I'm fine. At school we are doing a project about the weather in different parts of the world, so I'm writing to ask you about the weather in your country.

Here are my questions:

How many seasons do you have in your country?

What's the weather like in the different seasons?

Which season do you like the best and what activities can you do at that time?

Best wishes

Lesley

Use your own words as far as possible. No marks for answers copied from the reading texts.

Task 2 – Writing task

A friend wants to know what to take for her holiday in the mountains next month. Write some instructions (approximately 75 words) for your friend telling her:

- i) what to pack **and**
- ii) what to leave at home.
