Task 1 – Reading into writing task

Last week you received a letter from your American friend. She is going to visit you next month. Read her letter and then, **in your own words**, write a reply (approximately 75 words) to your friend:

- i) answering her questions **and**
- ii) asking what time she is going to arrive.

Friday 15 May 2009

Dear friend,

How are you? I'm fine thank you.

I'm very happy that I'm going to see you soon, but I've got some questions for you:

- What are we going to see and do when I visit you?
- What is your favourite place in your area?
- What is the weather going to be like next month?

I'm going to arrive at your house on Saturday 20 June.
See you soon!

Best wishes

Marianne
