

INTRODUCTION

Each professional examiner panel exists in order to enable Trinity to deliver assessments when and where required across the globe, to a consistent level of quality and reliability.

Membership of a panel is undertaken on an individual basis by self-employed professionals who agree to abide by these Terms & Conditions. Trinity enters into an annual Agreement setting out the guidelines under which a Panel Member's services will be sought subject to the levels of activity which apply in any given year in each subject area and across the range of territories in which Trinity operates.

Continuing membership of a panel depends upon evidence of the individual's good practice during the preceding year(s), availability for re-standardisation, suitable availability on the part of the Panel Member and overall need (i.e. level of activity) in each given area of specialisation. Senior members of the panels will independently monitor good practice throughout the year. It is unlikely that panel members would be permitted to examine in an organisation where they had worked or still work, or examine learners or teachers whom they tutor or have tutored in the past.

Appointment and re-appointment to a panel is at the absolute discretion of Trinity College London.

SELECTION PROCESS

The selection process for Classical & Jazz Examiners consists of application form screening, remote interview, attendance at an online and a video conference training and selection event, and finally the successful completion of the delivery of mock or real exams. Each stage is conditional on various criteria being met (see Criteria for Panel Membership below).

AVAILABILITY

Classical & Jazz Examiners **must offer a minimum of 2 weeks' availability per annum**. It is preferable if examiners are able to offer blocks of available time, usually a week or more, rather than separate individual days. Please note, although examiners **must offer** this minimum level of availability, no minimum examining work is guaranteed by Trinity until the signing of a Panel Member Agreement. If you cannot offer the required availability then please do not apply.

Examiners must also be available to attend and/or participate training events, either face-to-face or online and to complete a subsequent online, annual standardisation exercise. This is to ensure reliability of assessment and exam delivery.
