

Trinity's ISE: Integrated Skills in English Scoring information

Trinity's Integrated Skills in English (ISE) exams assess all four language skills: reading, writing, speaking and listening. These skills are assessed in two parts: Reading & Writing and Speaking & Listening.

When candidates have achieved a minimum of a Pass for each skill they are awarded the Trinity ISE qualification. Their ISE certificate shows results for each skill (Pass, Merit or Distinction).

What levels are available for ISE?

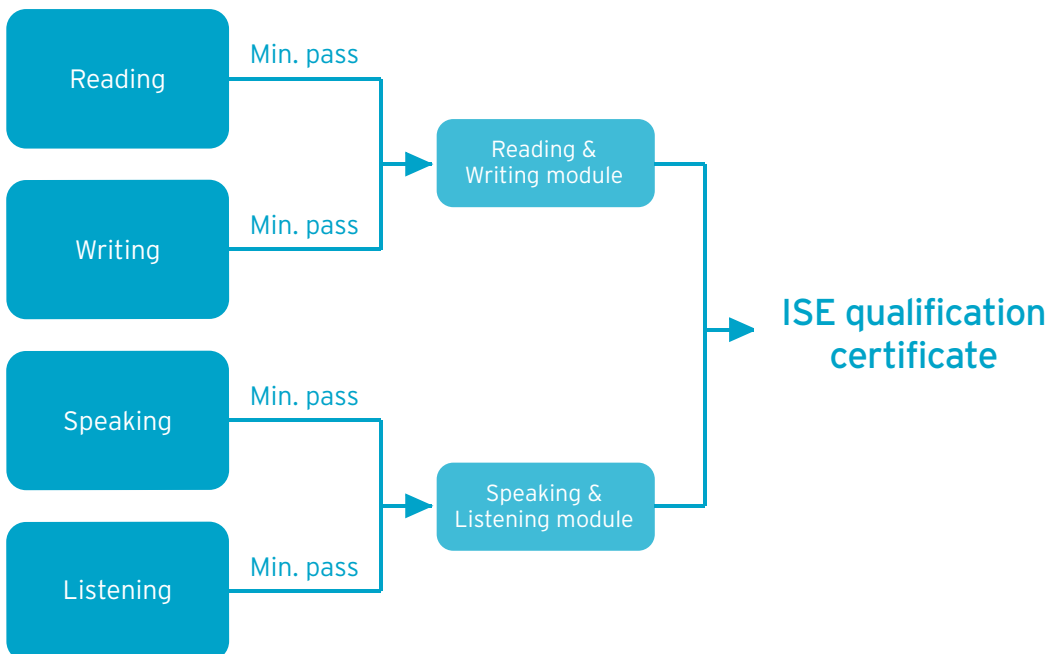

ISE is available at the following Common European Framework of Reference (CEFR) levels:

- ▶ ISE Foundation (A2)
- ▶ ISE I (B1)
- ▶ ISE II (B2)
- ▶ ISE III (C1)
- ▶ ISE IV (C2)*

Results

For each skill (reading, writing, speaking, listening) candidates are awarded one of the following:

- ▶ Distinction
- ▶ Merit
- ▶ Pass
- ▶ Fail

What are the score boundaries for each skill?

Each stage of the development of the ISE exam has followed strict academic processes to ensure the test is of the highest standard. This also includes setting and maintaining pass boundaries, and the reporting of results.

Trinity consulted a panel of external experts to determine the score boundaries for each skill, using procedures described in the *Manual for Relating Language Examinations to the Common European Framework of Reference for Languages: Learning, Teaching, Assessment*, produced by the Council of Europe. Their judgments were further reviewed by leading statistical experts in the field of assessment.

*ISE IV (C2) is available in a different format – see trinitycollege.com/ISEIV

Each skill and each task within the same skill are equally weighted. To achieve this the raw scores for some tasks need to be converted using a common scale. This means that the raw scores give a good, but not precise, indication of the likely pass band for an individual candidate as the final outcome is only confirmed after the conversion. The score boundaries below refer to the final scaled scores.

Reading

The total score for Reading is 30. Candidates will pass the reading part if they score at least 15 at ISE Foundation, ISE I and ISE II, and at least 16 at ISE III. They will achieve a Merit if they score 23 and a Distinction if they achieve 28 or higher.

Writing

The total scaled score for Writing is 28. Candidates will pass the writing part if they score at least 14 at ISE Foundation, ISE I and ISE II, and at least 15 at ISE III. They will achieve a Merit if they score 20 and a Distinction if they achieve 25 or higher.

Speaking

The total score for Speaking is 16. Candidates will pass the speaking part if they score at least 8. They will achieve a Merit if they score 12 and a Distinction if they achieve 15 or higher.

Listening

The total score for Listening at ISE Foundation and ISE I is 8. Candidates will pass the listening part at these levels if they score at least 3. They will achieve a Merit if they score 5 and a Distinction if they achieve 7 or higher.

The total score for Listening at ISE II and ISE III is 4. Candidates will pass the listening part at these levels if they score 2. They will achieve a Merit if they score 3 and a Distinction if they achieve 4.

Trinity is committed to ensuring that the standard of each qualification remains consistent over time and so reserves the right to make appropriate adjustments to published grade thresholds and/or methods of aggregating marks.
