Sample Independent listening task 1 – Shopping centre 1

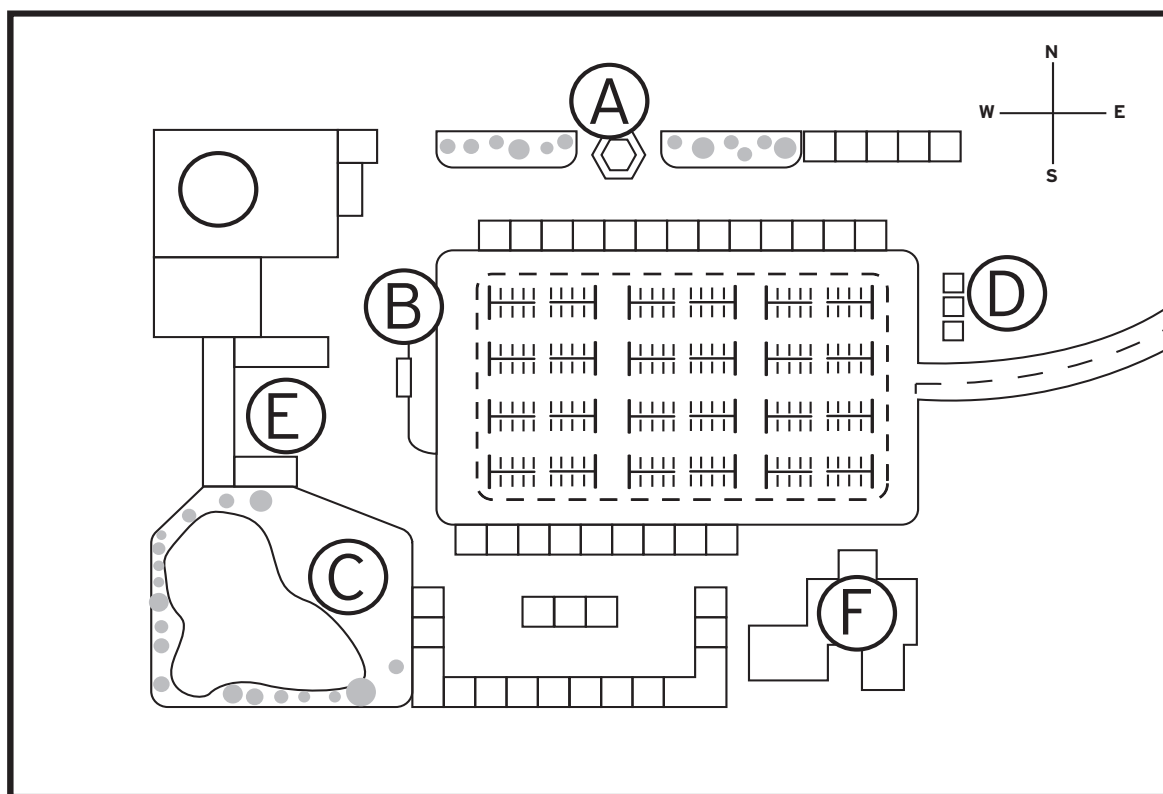

Examiner rubric

This is a map of a shopping centre. Here, it shows north, south, east and west (point to compass on map). You're going to hear someone talking about the shopping centre. You'll hear the talk twice. These pictures (point to the pictures) show some places in the shopping centre. The talk will tell you where the places are. Each picture has a letter. Write the correct letter in the circles on the map. There is one circle you do not need to use. There's an example to show you what to do (point to where it says A on the map). Please look at the map and the pictures now. You have 15 seconds (wait 15 seconds). Are you ready?

This is a plan of a new shopping centre in Ireland. There's an information point in the north of the shopping centre. A car park is in the middle. Buses also leave from here every 15 minutes. Families can enjoy the beautiful picnic area next to the lake. This is in the south west of the shopping centre. There are lots of shops and a large supermarket. Cash machines are found in the east where traffic enters the shopping centre. In the west of the shopping centre there are cafés and restaurants. They're open until 8pm. A chemist with two doctors is in the south east of the shopping centre.
