

Music Representatives (UK) 2020

For Rock & Pop exams do not use this listing, please see the Rock & Pop website:
<http://www.trinityrock.com/venues/ukdates>

This document lists contact details for Trinity College London public centres for music examinations. These centres are open to all. The centres are listed by regions within the UK. Please note that the town or city listed is the normal location of the examination venue, but any addresses listed are the contact details for the Local Area Representative.

Music Online Booking

After a successful pilot run of our new music exam online booking service, which took place at London centres in 2017, Trinity is gradually extending the service to include further centres throughout 2020. There is an [online centre map](#) of those centres involved.

The new service is available at <https://musicbooking.trinitycollege.co.uk>. The centres involved will contain this link within their details below.

The new service brings many benefits – it allows applicants to:

- book and pay for practical music exams
- choose the most convenient exam centre
- select a preferred date
- receive a confirmed time and appointment slip by email within 24 hours of booking

This service will make it much easier for teachers, parents, and candidates to plan around exams.

All music grade, certificate and recital diploma exams (including percussion) are included in the summer session. Theory, Ensemble, and Rock & Pop exams are not included.

Paper Entries

Where available, a link to further information regarding venues is provided underneath the contact e-mail address. Applicants should contact the Local Area Representative for details of the venue if not provided here. Local Area Representatives are responsible for organising examinations. Entries should be sent to the Representative by the closing date shown and not to Trinity's London or Croydon Offices unless advised to do so.

The dates given show the first day of the week(s) in which practical examinations will take place, unless otherwise specified. Please contact the Representative for details. Please be aware that due to high numbers of entries, the examinations may go into a second and third week — please confirm with the Local Area Representative for details.

Closing Dates 2020

Music Online Booking

Closing dates for entry will be listed on the Online booking website:

<https://musicbooking.trinitycollege.co.uk>

Dates will close when full, or 28 days before the week of exams in which you're entering.

Paper Entries

Closing dates for centres accepting paper entry are listed with the centre details below with a c/d.

Theory examinations

Public centres offering written exams are marked (T) on the list below. Written exams occur on the below dates in the summer and autumn terms;

| | |
|---------------------|------------------------------|
| Saturday 9 May | (closing date: 30 March) |
| Monday 11 May | (closing date: 30 March) |
| Saturday 7 November | (closing date: 28 September) |
| Monday 9 November | (closing date: 28 September) |

We will continue to offer specialist examiners in some circumstances:

- At private examiner visits, see <http://www.trinitycollege.co.uk/MusicExaminerVisitGuidelines>
- At Percussion centres, please see <http://www.trinitycollege.co.uk/resource/?id=6964>
- At the Guildhall School of Music & Drama sessions held each term
- At a limited number of other public centres marked (S) providing there is sufficient demand.

Diplomas

Fellowship examinations may only be taken at specific centres throughout the country and are marked (FT) as seen in the list of specialist codes below. LTCL and ATCL Diplomas may only be taken at centres marked (D). It may be possible to enter at other centres, providing this is discussed and agreed with Centre Representatives in advance.

Additionally, applicants with enough candidates may use the Examiner Visit Scheme and request a specialist examiner outside of Trinity's peak exam periods. For further details, see:

www.trinitycollege.co.uk/MusicExaminerVisitGuidelines

Trinity College London reserves the right to change examination dates and cannot guarantee any particular date. Final dates are dependent on many factors including level of entries and venue availability. Please check with the Centre Representative for details.
