

Percussion Representatives (UK) 2020

For Rock & Pop drum exams please do not use this listing, please see the Rock & Pop website:
<http://www.trinityrock.com/venues/ukdates>

This document lists contact details for Trinity College London public centres for Percussion and Drum Kit examinations. The examinations at these centres will usually be conducted by instrumental specialists in percussion. These public centres are open to all. The centres are listed by regions within the UK. Please note that the town or city listed is the normal location of the examination venue but the addresses listed are the contacts for Centre Representatives. Applicants should contact the Centre Representative for details of the venue.

Music Online Booking

After a successful pilot run of our new music exam Online booking service, which took place at London centres in 2017, Trinity is gradually extending the service to include further centres throughout 2020. There is an [online centre map](#) of those centres involved.

The new service is available at <https://musicbooking.trinitycollege.co.uk>. Those centres involved will contain this link within their details below.

The new service brings many benefits – it allows applicants to:

- book and pay for practical music exams
- choose the most convenient exam centre
- select a preferred date
- receive a confirmed time and appointment slip by email within 24 hours of booking

This service will make it much easier for teachers, parents and candidates to plan around exams.

All music grade, certificate and recital diploma exams (including percussion) are included in the summer session. Theory, Ensembles and Rock & Pop exams are not included.

Paper Entries

Where available, a link to further information regarding venues is provided underneath the contact e-mail address. Applicants should contact the Local Area Representative for details of the venue if not provided here. Local Area Representatives are responsible for organising examinations. Entries should be sent to the Representative by the closing date shown and not to Trinity's London or Croydon Offices unless advised to do so.

Music Online Booking

Closing dates for entry will be listed on the Online booking website:

<https://musicbooking.trinitycollege.co.uk>

Dates will close when full, or 28 days before the week of exams in which you're entering.

Paper Entries

Closing dates for centres accepting paper entry are listed with the centre details below with a c/d.

Trinity College London reserves the right to change examination dates and cannot guarantee any particular date. Final dates are dependent on many factors including level of entries and venue availability. Please check with the Centre Representative for details.

This listing will change during the year. Please refer to the website for details:

www.trinitycollege.co.uk/music

Applicants with £500+ candidates may use the Examiner Visit Scheme and request a specialist examiner. Further details are available from the appropriate Area Contact at Trinity College London.

Wherever possible, Drum Kit and Percussion candidates in the UK will be examined by an instrumental specialist examiner. At public centres that are not listed in this booklet it may be possible to choose to be examined by a generalist examiner, subject to provision of equipment – at non-specialist centres candidates may be required to provide their own equipment.

At specialist Drum Kit and Percussion public centres the drum kit will consist of a snare drum, 3 toms, bass drum, Hi Hat, ride cymbal, 2 crash cymbals and splash cymbal. A CD audio system will normally be provided for play-along pieces; please ring the appropriate Representative to confirm. Orchestral percussion, tuned percussion and timpani equipment is available at percussion centres, but not supplied at Drum Kit centres. Please confirm whether equipment for these examinations is available by contacting your local Centre Representative. Where such equipment is not available Trinity College London will consider requests to allow equipment to be supplied by the applicant or teacher. Trinity College London will also consider requests for the examiner to travel to an alternative venue for the exam to take place. In either case no cost for hire of the equipment/venue will be accepted by the board.

Diplomas

Fellowship examinations may **only** be taken at the London Centre. For LTCL and ATCL Diplomas please contact the appropriate Area Contact at Trinity College London.

Contents
