

## Music Representatives (Republic of Ireland) 2020

This document lists contact details for Trinity College London public centres for music examinations. These centres are open to all. Please note that the town or city listed is the normal location of the examination venue but the addresses listed are the contact details for the Local Area Representative. Where available a link to further information regarding venues is provided underneath the contact e-mail address. Applicants should contact the Local Area Representative for details of the venue if not provided here. Local Area Representatives are responsible for organising examinations. Entries should be sent to the Representative by the closing date shown and not to Trinity's London or Croydon Offices unless advised to do so.

The dates given show the first day (Monday) of the week(s) in which practical examinations will take place, unless otherwise specified. Please contact the Representative for details. Please be aware that due to high numbers of entries, the examinations may go into a second and third week — please confirm with the Local Area Representative for details.

Closing Dates are listed against the examination dates marked with a c/d

### **Theory examinations**

Public centres offering written exams are marked (T) on the list below. Written exams occur on the below dates in the summer and autumn terms;

Saturday 9 May	(closing date: 30 March)

### **Diplomas**

Fellowship examinations may **only** be taken at the London Centre. LTCL and ATCL Diplomas may normally only be taken at centres marked (D) but it may be possible to enter at other centres providing this is discussed and agreed with Centre Representatives in advance.

Additionally, applicants with enough candidates may use the Examiner Visit Scheme and request a specialist examiner. For further details [www.trinitycollege.co.uk/MusicExaminerVisitGuidelines](http://www.trinitycollege.co.uk/MusicExaminerVisitGuidelines).

Trinity College London reserves the right to change examination dates and cannot guarantee any particular date. Final dates are dependent on many factors including level of entries and venue availability. Please check with the Centre Representative for details.

This listing may change during the year. Please refer to the website [www.trinitycollege.co.uk/music](http://www.trinitycollege.co.uk/music) for details.
