### Sample Independent listening task 1 – School map

#### Examiner rubric

This is a map of a school. Here, it shows left and right (point to L and R). You're going to hear a teacher talking about the school. You'll hear the talk twice. These pictures (point to the pictures) show some places in the school. The teacher will tell you where the places are. Each picture has a letter. Write the correct letter in the circles on the map. There is one circle you do not need to use. There's an example to show you what to do (point to where it says A on the map). Please look at the map and pictures now. You have 15 seconds (wait 15 seconds). Are you ready?

This map shows our main school building. Come in through the entrance on the right. The first room on your right is the science lab. You can find the art room for painting and drawing classes next to that. The information technology room has a lot of computers. It's the last room on that side. The music room is opposite the IT room. Students can play musical instruments there. You can find lots of books in the library. It's near the entrance opposite the science lab. You can find the theatre next to the library. Students do drama in there.
