Welcome

Welcome to Trinity College London’s Music Performance Diplomas syllabus, containing details of performance qualifications in a range of instruments, and singing. Trinity’s performance diplomas provide a pathway to professional musicianship, focusing exclusively on the planning and performance of a recital.

Performance pathways
Trinity’s performance diplomas are available at three levels: ATCL, LTCL and FTCL, each reflecting progression beyond graded exams and providing pathways into professional musicianship. This updated syllabus for diploma exams from August 2019 sees the addition of over 1,200 new pieces to our repertoire lists, giving candidates more choice. Combined with the option to select own-choice pieces, this means that candidates can present programmes that reflect their own unique musical interests and strengths. The emphasis of these qualifications is on performance, with 96% of marks awarded for the recital section at ATCL and LTCL levels. Candidates also provide a short written programme, just as they would when putting together a professional recital.

Performance expertise
Submit your programme online with our approvals form and receive feedback from our panel of instrumental experts. You can also develop your performance with our range of support resources available at trinitycollege.com/ diploma-resources, which include guidance on exam structure and preparation, support on building a programme and advice and inspiration from our professional diploma alumni.

Performance recognition
Gain a respected qualification that is recognised globally. Our performance diplomas are a pathway to professional musicianship, and successful candidates are entitled to use post-nominal letters after their name:

◗ ATCL (Associate of Trinity College London)
◗ LTCL (Licentiate of Trinity College London)
◗ FTCL (Fellow of Trinity College London)

We hope you enjoy exploring the music on offer in this syllabus and we wish you every success in the exams and your wider music-making.

Introduction to Trinity's music performance diplomas

OBJECTIVE OF TRINITY'S MUSIC PERFORMANCE DIPLOMA QUALIFICATIONS

Trinity's music performance diplomas are for musicians who wish to demonstrate higher-level performance skills and have them professionally recognised.

They offer learners the opportunity to measure their musical development against a series of internationally understood benchmarks at three levels:

- Level 4 — equivalent standard to the first year of an undergraduate degree course
- Level 6 — equivalent standard to the final year of an undergraduate degree course
- Level 7 — equivalent standard to a master's level course

WHO THE QUALIFICATIONS ARE FOR

Trinity's music performance diplomas are open to all learners, and there are no age restrictions.

Trinity is committed to making its exams accessible to all, and each candidate is treated individually when considering how assessments can be adapted for those with special needs. Find out more at trinitycollege.com/music-csn

ENTRY REQUIREMENTS

There are no prerequisites for ATCL or LTCL.

The prerequisite for FTCL is LTCL in the same instrument. Candidates who have passed LTCL should indicate this in the appropriate place on the entry form. Candidates wishing to take FTCL who do not have an LTCL may substitute an equivalent qualification, or offer prior learning at a similar level.

Any substitute qualification or prior learning must be approved by Trinity.

Examples of alternative qualifications accepted in place of LTCL include:

- ARCM, ARNCM, LGSMD(P), LMusA, LRAM, LRSM, LLCM diplomas in performance, in the same instrument
- Other performance diplomas of graduate status, eg GTCL, GRSM, in the same instrument
- BA (with performance) or BMus from a conservatoire, eg Trinity Laban, or from a university, in the same instrument

Applications for approval of substitute qualifications or prior learning must be sent to music@trinitycollege.com at least six weeks before the closing date for entries at the chosen exam centre. Applicants should attach as much evidence as possible of learning gained. This may include transcripts, syllabuses, concert programmes, references, etc. Each case will be considered on its individual merits. If the application is approved, Trinity will supply a reference number which must be quoted on the entry form.

Candidates may not enter for an exam until they have received this reference number; provisional and conditional entries cannot be accepted.

DURATION OF STUDY (TOTAL QUALIFICATION TIME)
All regulated qualifications are assigned a total qualification time. This should be used as guidance only. Total qualification time is an estimate of the average time a candidate spends with a teacher (guided learning hours) added to the average time spent learning independently. It is recognised that the amount of time needed to commit to a qualification will be dependent on each individual's level of experience.

ASSESSMENT AND MARKING
Trinity's performance diploma qualifications are assessed by external examiners trained and moderated by Trinity. Examiners provide comments for each component of the exam using the assessment criteria relevant to the level as outlined on pages 18–21, and at ATCL and LTCL levels they also provide marks.

ATCL and LTCL diplomas are marked out of 100. Candidates’ results correspond to different attainment levels as follows:

HOW TO ENTER FOR AN EXAM
Exams can be taken at selected Trinity public exam centres, which are available throughout the world. Details are available at trinitycollege.com/worldwide, and candidates should contact their local Trinity representative for more information.

OTHER QUALIFICATIONS OFFERED BY TRINITY
Trinity's music qualifications offer flexible progression routes from beginner to advanced levels in a range of musical styles. All are designed to help candidates develop as musicians according to their individual needs as learners.

Graded music exams assess a broad range of musicianship skills, including performance, while certificate exams focus entirely on performance, including separate marks for presentation. Find more information about graded exams at trinitycollege.com/graded-exams, and information about certificate exams at trinitycollege.com/music-certificates.

Candidates can enter any combination of graded or certificate exams, and do not need to pass any particular level in order to proceed to a higher level.

Theory exams are available from Grade 1 to support learners to develop their understanding of the technical language of music. However, no theory qualifications or other prerequisites are required to enter graded or certificate exams at any level. Find more information about theory exams at trinitycollege.com/theory.

As well as performance, diplomas are also available in teaching (ATCL and LTCL) and theory (AMusTCL and LMusTCL). Find out more at trinitycollege.com/music-diplomas.

Music Tracks is an initiative in the UK designed to support teachers in delivering instrumental tuition for both large and small groups. Find out more at trinitycollege.com/music-tracks.

We also offer:
- Graded, certificate and diploma qualifications in drama-related subjects
- English language qualifications
- Teaching English qualifications
- Arts Award (only available in certain countries)

Specifications for all these qualifications can be downloaded from trinitycollege.com.

GUIDANCE ON THE EXAMS

- Diploma exams do not take place with audiences.
- Examiners do not normally interrupt performance diploma exams with any conversation, but will observe the candidate’s professionalism and stagecraft at every stage of the exam. Candidates should treat the exam as if it were a public recital.
- Throughout the exam, examiners make notes for the report, in order to give professional feedback for development, and so they may not be able to closely watch the performance at all times.
- Special arrangements can be made if an interpreter or a facilitator for a candidate with special needs is necessary. Such arrangements must be agreed in advance with Trinity’s central office – email music-csn@trinitycollege.com
- All exams are audio-recorded for quality assurance purposes. Further information is available at trinitycollege.com/recording

POST-NOMINALS AND ACADEMIC DRESS

In addition to being entitled to use the appropriate post-nominal letters after their name (ATCL, LTCL or FTCL), holders of Trinity diplomas are entitled to wear academic dress. Associates are entitled to wear an academic gown, Licentiates a gown and hood (purple edged with mauve), and Fellows a gown and hood (purple lined with mauve). Candidates wishing to obtain academic dress should email music@trinitycollege.com for appropriate authorisation.

Candidates wishing to perform on an instrument that is not listed should contact Trinity’s music support team at music@trinitycollege.com
CHOOSING PIECES

Candidates should compile and perform a varied and contrasting programme of the required duration (see timings opposite).

All programmes (except percussion) must consist of a minimum of two works. Percussion programmes must consist of a minimum of three works.

The music performed can:
- Be drawn entirely from the appropriate repertoire list, which can be found online at trinitycollege.com/performance-diplomas
- Combine pieces from the appropriate repertoire list with own-choice pieces
- Contain only own-choice pieces

REPERTOIRE GUIDELINES

Sonatas, sonatinas, suites and other works composed as complete unities should normally be played complete (ie all sections or movements should be played).

Depending on the diploma level and the repertoire available for the instrument, candidates may include selected movements, provided that the overall programme is balanced. Suitable examples of selected movements are included in the repertoire lists.

NB any programme including single movements from items listed as complete must be submitted for approval, so that we can offer guidance to ensure all pieces are at a suitable level.

Performance programmes should display a range of moods, styles and tempi. Candidates should bear the artistic coherence of the programme in mind when selecting repertoire and/or proposing programmes for approval. See page 16 for more information.

RECITAL TIMINGS

Timings are as follows:

<table>
<thead>
<tr>
<th>Diploma</th>
<th>Performance duration (minutes)</th>
<th>Exam duration (minutes)</th>
</tr>
</thead>
<tbody>
<tr>
<td>ATCL</td>
<td>32–38</td>
<td>40</td>
</tr>
<tr>
<td>LTCL</td>
<td>37–43</td>
<td>45</td>
</tr>
<tr>
<td>FTCL</td>
<td>42–48</td>
<td>50</td>
</tr>
</tbody>
</table>

Please note that the performance durations listed above refer to the total duration of all the pieces performed, but do not include the following, which are included in the overall exam duration:
- Arrival/departure time
- Setting up
- Tuning

Excessive breaks between movements and/or pieces should be avoided.

Performances that fall outside the listed durations will be referred to Trinity’s central office and will be penalised by a mark reduction or, in extreme cases, by disqualification. Performances that exceed the required duration may be stopped when the maximum length is reached.

* Marks are awarded for ATCL and LTCL only
OWN-CHOICE REPERTOIRE

Candidates wishing to propose a programme consisting partly or completely of pieces that are not listed in the relevant repertoire list (available at trinitycollege.com/performance-diplomas) must submit the whole programme for approval. Programmes must also be submitted if they include single movements from items listed as complete in the repertoire list. The process for submitting programmes is outlined below.

Before submitting a programme, candidates should check each own-choice item against Trinity's current grade, certificate and diploma repertoire lists. Repertoire listed in any current Trinity grade, certificate or lower diploma cannot be selected as own-choice repertoire. However, where a movement or part of a piece is set for a graded exam, the whole piece may be submitted as an own-choice diploma item.

Own-choice pieces must demonstrate a comparable level of technical and musical demand to the pieces listed in the repertoire list for the relevant instrument, available at trinitycollege.com/performance-diplomas

Inclusion of repertoire items in any other exam board’s diploma lists does not guarantee that they will be approved for a Trinity diploma.

Items considered to be of greater demand than the level may be proposed, but may not then be performed in any higher level diploma subsequently entered (ie candidates may not submit the same piece of music for two or more diplomas at increasing levels).

Our online approvals process enables you to check the level of the repertoire with the help of our experts. Items are considered in the context of the whole programme, and pieces approved in one programme may not necessarily be approved in another.

PROGRAMME APPROVAL

We offer an online programme approvals process, which puts you directly in touch with our panel of instrumental experts. Candidates should visit trinitycollege.com/approvals and provide all details as requested on the online form.

Candidates must submit complete programmes and may send in only one complete programme for approval at any time.

Please note that we are unable to consider submissions of individual pieces.

Our panel of expert instrumental specialists consider own-choice programme submissions, and applicants normally receive a response within 15 working days.

If the proposal is accepted we will email the candidate a permission statement, which will remain valid for two years. A copy of the statement must be shown to the examiner at the start of the exam, otherwise results may be delayed or the candidate may be disqualified.

If the proposal is not approved we will notify the candidate by email. The candidate should then change piece(s) as necessary and re-submit the whole programme (or replace the whole programme with pieces from the relevant repertoire list).

In approving programme proposals we do not consider either timing or balance. The approval is simply in terms of technical and musical difficulty, and it is the candidate’s responsibility to design an appropriate and balanced programme that complies with the stipulated timings.

Once an approval letter has been issued, if any alteration needs to be made then the complete programme must be resubmitted for approval.
Where an online submission is not possible, an application by post or email may be made, but it may take longer to process. Telephone applications are not accepted.

Trinity cannot accept responsibility if candidates enter for an exam without approval for their programme. Candidates are strongly advised not to enter until their programme has been approved.

Trinity’s decision on approval of any item or programme is final.

**INSTRUMENTS**

Candidates should only perform on one type of instrument throughout their recital.

Candidates may, however, use two or more different members of the same instrument family, eg soprano and alto recorders, or B♭ and E♭ trumpets.

For all diplomas other than piano, candidates must provide their own instrument(s) (NB arrangements for organists are detailed in the organ repertoire list online).

If the instrument takes time to set up, eg drum kit, candidates must make suitable arrangements with the centre in advance so that the exam timetable is not affected by setting up or removing the instrument.

Candidates must complete basic tuning before entering the exam room.

Piano candidates are allowed a few moments to familiarise themselves with the piano at the start of the exam.

Instrument-specific information and requirements are included in the relevant repertoire lists available at trinitycollege.com/performance-diplomas

Candidates wishing to perform on an instrument that is not listed on page 11 should contact Trinity’s music support team at music@trinitycollege.com

**PERFORMANCE AND INTERPRETATION**

All *da capo* and *dal segno* instructions should be observed. Repeats of the exposition/recapitulation sections and other long repeats, as well as those within variations, should not be played. If the examiner feels that the overall performing time of the recital has been compromised, for instance by the inclusion of repeats in other areas that are not justified musically, the exam may be referred and/or invalidated.

All cadenzas should be played; these may be improvised or played from scores.

Candidates are not required to perform from memory at any level, and no additional marks are given for this. However, candidates are encouraged to play all or part of their programme from memory if they feel that it will enhance their performance.

Spoken introductions are not permitted.

**STAGECRAFT**

Marks are awarded for stagecraft, which takes into account the overall presentation of the recital.

For all performers and participants, stagecraft includes:

- Management of music and page turns, including use of a page turner where appropriate
- General comportment and stage manner
- Dress, which should be suitable for a public recital (jeans and trainers are not considered appropriate dress)
- Pacing; breaks between movements and works should neither hurry nor disrupt the flow of the recital

Additionally, for all instrumentalists (other than pianists), positioning and platform arrangement are taken into account.
ACCOMPANIMENTS

- For single-line instruments, no more than one unaccompanied piece should be included.
- Pieces that are published with an accompaniment must not be performed unaccompanied.
- Candidates are responsible for providing their own accompanist. There should normally be only one accompanist, although there may be two in some cases, e.g. Baroque continuo group.
- Where accompaniments feature long introductions or endings (or long tutti passages in concerto movements), these should be shortened in a way that is musically appropriate.
- Recorded accompaniments are not allowed in diploma exams except where required by the genre, in which case approval must be obtained in advance of the exam.
- Any electrical equipment used must comply with the health and safety requirements of the country where the exam is taking place.

MUSIC AND COPIES

- Candidates should obtain the music for their exam in good time before entering for the exam, and they must bring it with them on the day of the exam.
- Recommended editions are indicated in the repertoire lists, but candidates may perform from any reliable edition that has not been shortened or otherwise simplified. Editions containing inauthentic performance directions, for example Romantic phrasing in Baroque repertoire, are not acceptable.
- We take copyright infringement seriously and require candidates to ensure their music comes from a legitimate source. Guidelines are available in the UK Music Publishers Association’s Code of Fair Practice, available at mpaonline.org.uk. Candidates must comply with copyright and other intellectual property laws in the country where the exam is taking place.
- In accordance with the MPA’s Code of Fair Practice, candidates must produce original copies of all pieces to be performed at the exam, even if pieces have been memorised, handwritten or typeset. Pieces where no original copy has been provided might be awarded no marks.
- Candidates must provide copies of all pieces to be performed as a reference for the examiner (these may be photocopies). Failure to provide copies will result in invalidation of the exam. If photocopies are provided, these will be kept by the examiner and destroyed after the exam.
- Where music has been downloaded, candidates must bring proof of purchase or details of the website where it was accessed for the examiner’s reference.

PAGE TURNS

- The examiner will not be able to act as a page turner.
- A page turner is allowed to turn pages for the soloist in piano, harpsichord, organ or harp diplomas, or for the accompanist in any other diploma.
This section of the exam is split into two:

WRITTEN PROGRAMME

2 marks

Candidates should present a printed programme to the examiner at the beginning of the exam.

At ATCL and LTCL levels, programmes must include the following:
- Names of the candidate and accompanist (if applicable)
- Date, place and time of the recital
- Composers, full titles and opus numbers (where available) of all the works to be played, in order of performance
- An accurate timing for each piece, and for the entire programme
- For singing diplomas only: translations of the song texts (not included in word count)

At FTCL level, programmes must include the following:
- Names of the candidate and accompanist (if applicable)
- Date, place and time of the recital
- Composers, full titles and opus numbers (where available) of all the works to be played, in order of performance
- An accurate timing for each piece, and for the entire programme
- Programme notes on each piece to be performed, totalling 1,200–1,600 words overall
- For singing diplomas only: translations of the song texts (not included in word count)

At FTCL level, the content of the programme notes might include the musical and historical context of the pieces, their structure and form, and significant musical elements contained within them. They may include quotations and short extracts from other sources (credited as appropriate), but must not plagiarise other sources.

PLANNING, BALANCE & CONSTRUCTION OF THE PROGRAMME

2 marks

Examiners will consider the extent to which:
- The programme is well balanced and includes a contrast of styles
- The programme order is musically effective, and the programme is artistically effective as a whole

Policies

SAFEGUARDING AND CHILD PROTECTION
Trinity is fully committed to safeguarding and protecting the candidates that we work with. All posts, including examiners, are subject to a safer recruitment process, including the disclosure of criminal records and vetting checks. Our safeguarding policies and procedures are regularly reviewed and promote safeguarding and safer working practice across all parts of our work.

EQUAL OPPORTUNITIES
Trinity is committed to providing equality of opportunity and treatment for all, and will not unlawfully or unfairly discriminate directly or indirectly on the basis of any characteristic.

REASONABLE ADJUSTMENT
Trinity is committed to creating an inclusive environment where candidates with special needs are able to demonstrate their skills and feel welcomed. We aim to make our exams accessible to all. We treat each learner individually when considering how we can achieve this aim, recognising that requirements vary. Candidates can be assured that we do not compromise on the standard of marking or allow the quality of exams to be affected in any way.

All provision is tailored to the particular needs of each candidate. In order to be most beneficial, as full an explanation as possible of the required provision should be given. The need and request for provision should be made on the appropriate form available to download from trinitycollege.com/music-csn. For enquiries please contact music-csn@trinitycollege.com

DATA PROTECTION
Trinity is registered as a Data Controller with the Information Commissioner’s Office in the United Kingdom under data protection legislation. Please see trinitycollege.com/data-protection for the most up-to-date information about Trinity’s data protection procedures and policies.

CUSTOMER SERVICE
Trinity is committed to providing a high-quality service for all our users from initial enquiry through to certification. Full details of our customer service commitment can be found at trinitycollege.com/customer-service

QUALITY ASSURANCE
Please note that, for training/monitoring purposes, it may, on occasion, be necessary for there to be more than one examiner in the room.

Trinity audio records and sometimes films exams for quality assurance and training purposes. In the case of filming, Trinity will always seek permission from the candidate (or a parent or guardian) first. All recording devices will be discreet and should not cause any distraction to candidates.

EXAM INFRINGEMENTS
All exam infringements (eg performing an unlisted piece that has not been approved) will be referred directly to Trinity’s central office by the examiner. Exam reports may be withheld until the outcome of any referral has been considered by Trinity. Depending on the severity of the infringement, marks may be deducted or, in extreme cases, the exam may be invalidated.
MALPRACTICE
Trinity requires its registered exam centres to report any suspected malpractice by candidates, teachers or examiners. In situations where a centre is found to be inadequate or to be guilty of malpractice, either in terms of provision of facilities or in administration, the exam centre may be required to suspend all of its activities relating to Trinity exams until the cause of the problem is identified and rectified, if appropriate. In extreme circumstances, the centre may have its registered status withdrawn.

In the very rare cases or circumstances where a centre or individual may be suspected of malpractice, Trinity will aim to minimise any inconvenience caused to any affected candidate, and would like to thank candidates, teachers and centre staff for their kind co-operation in reporting any suspected incident of cheating, thereby assisting Trinity in upholding the quality and integrity of its exam process.
