ABOUT TRINITY COLLEGE LONDON

Trinity College London is a leading international exam board and independent education charity that has been providing assessments around the world since 1872. We specialise in the assessment of communicative and performance skills covering music, drama, combined arts and English language. With over 850,000 candidates a year in more than 60 countries worldwide, Trinity qualifications are specifically designed to help students progress. Our aim is to inspire teachers and learners through the creation of assessments that are enjoyable to prepare for, rewarding to teach and that develop the skills needed in real life.

At the heart of Trinity's work is the belief that effective communicative and performance skills are life enhancing, know no boundaries and should be within reach of us all. We exist to promote and foster the best possible communicative and performance skills through assessment, content and training that is innovative, personal and authentic.

WELCOME

Welcome to Trinity College London's syllabus for digital graded exams in rock and pop instruments, containing details of solo exams from Initial to Grade 8.

The digital graded exams enable candidates to record their songs at a place and time of their choice and then submit the video recording via our online platform to be assessed by our expert examiners. The exams have the same academic rigour as our face-to-face exams, and candidates gain full recognition for their achievements, with the same certificate and UCAS points awarded as for the face-to-face exams.

Designed for digital

Responsive to a changing world, these exams have been designed to support teaching, learning and assessment through a digital medium.

Your performance, your choice

Sitting alongside our face-to-face graded exams, digital exams provide even more choice and flexibility in how a regulated graded qualification can be achieved.

Digital support content

Comprehensive online resources provide support to candidates and teachers throughout their digital exam journey.

IMPORTANT INFORMATION

1. This syllabus should be read alongside the instrument-specific syllabuses, which list the songs for the grades.
2. To take this assessment you must have access to:
 - ✔ A high-quality audio-visual recording device with enough storage for your performance (eg a good quality mobile phone, tablet, laptop or video camera)
 - ✔ The internet – to upload your performance video and supporting files
 - ✔ An external speaker that will allow you to play backing tracks for your exam songs
3. All performances must be submitted as one continuous performance. Start the recording before your first song, and do not stop or pause the video until you have completed all parts of the assessment. Any evidence of editing will result in a syllabus infringement and your exam will not be assessed.
4. You can be given assistance to film your performance, and another person can be present to operate your backing tracks. A count-in at the start of a pre-recorded track is permitted. However, indications of pulse, verbal or non-verbal entry cues during the songs, or the playing of an additional instrument (unless for own-choice songs) will result in a syllabus infringement.
5. Only the official Trinity backing tracks should be used. Adapted or edited versions of the tracks from any other source are not permitted.
6. Audio and video may be recorded using separate devices, as long as they are recorded simultaneously. No pre- or post-production techniques may be applied. A single external microphone may be used but multiple microphone set-ups are not permitted.

OBJECTIVE OF THE QUALIFICATION

Trinity's graded Rock & Pop exams provide a structured yet flexible framework for progress, which enables learners to demonstrate their own musical personality and promotes enjoyment in music performance.

The exams assess performance and technical ability through practical assessment. They offer learners of any age the opportunity to measure their development as performers against a series of internationally understood benchmarks, taking them from beginner level to the point at which they can progress to higher education in music.

HOW TO ENTER

WHO THE QUALIFICATIONS ARE FOR

Trinity's graded Rock & Pop exams are open to all learners, with no age restrictions or other limitations. There is no requirement to have passed lower grades, theory exams or other qualifications, although the grades represent a system of progressive mastery and the outcomes for each level assume confidence in the requirements of previous grades.

Trinity is committed to making its exams accessible to all, and each candidate is treated individually when considering how assessments can be adapted for those with special needs. Find more information at trinitycollege.com/music-csn

ASSESSMENT AND MARKING

Trinity's graded Rock & Pop exams are assessed by external examiners trained and moderated by Trinity. Examiners provide marks and comments for the exam using the assessment criteria on pages 21-24.

The exams are marked out of 100. Candidates' results correspond to different attainment bands as follows:

Mark	Attainment level
87-100	DISTINCTION
75-86	MERIT
60-74	PASS
45-59	BELOW PASS 1
0-44	BELOW PASS 2

See pages 20-24 for further information about how the exams are marked.

DURATION OF STUDY (TOTAL QUALIFICATION TIME)

All regulated qualifications are assigned a total qualification time. This should be used as guidance only. Total qualification time is an estimate of the average time a candidate spends with a teacher (guided learning hours) added to the average time spent learning independently. It is recognised that the amount of time needed to commit to a qualification will be dependent on each individual's level of experience.

	Guided learning hours (GLH)	Independent learning hours (ILH)	Total qualification time (TQT) (hours)
Initial	8	32	40
Grade 1	12	48	60
Grade 2	18	72	90

PARENTAL AND TEACHER GUIDANCE

The songs in Trinity's Rock & Pop syllabuses have been arranged to represent the artists' original recordings as closely and authentically as possible. Popular music frequently deals with subject matter that some may find offensive or challenging. It is possible that the songs may include material that some might find unsuitable for use with younger learners.

There is no requirement that all songs in this syllabus must be learnt. We recommend that parents, guardians and teachers exercise their own judgement to satisfy themselves that the lyrics of selected songs are appropriate for the learners concerned. Trinity does not associate itself with, adopt or endorse any of the opinions or views expressed in the selected songs.

SONGS

The Rock & Pop arrangements have been designed to be as authentic as possible to the original songs. They have been created to develop the candidate's technique, musicianship, ensemble skills, timekeeping and stylistic awareness, while providing the opportunity to improvise, embellish and vary the line creatively when appropriate, just as the player would on stage or in the studio.

Candidates should familiarise themselves with the technical demands of each song, particularly when preparing for song 3 (technical focus). Some songs specify certain requirements, and candidates must make sure they do this.

Songs 1 and 3 must be played along with the Trinity backing track. Only song 2 may be played unaccompanied (if appropriate – see further details below).

SONG 1

Song 1 must be selected from the current Trinity Rock & Pop songbook for the grade, and must be performed with the Trinity backing track. Please ensure that you have playback equipment that you can use for your video performance. You should ask someone to help you operate this so that you can concentrate on playing.

Make sure you check the volume balance of the backing track and your instrument before you start recording.

SONG 2

Song 2 may be selected from the current Trinity Rock & Pop songbook for the grade and performed with the Trinity backing track, or it can be an own-choice song.

Own-choice songs must be equivalent in standard to the songs in the Trinity Rock & Pop songbook for the grade. Parameters indicating the length and level of difficulty required at each grade are listed in the relevant syllabus.

The own-choice song can be:

- ✔ Sheet music from a printed or online source
- ✔ An original song that the candidate has written
- ✔ A cover version that the candidate has arranged

Own-choice songs can:

- ✔ Be unaccompanied
- ✔ Be played to a backing track (not including the solo part) – this can be self-created
- ✔ *For bass, drums, guitar, keyboards:* Include added vocals, performed live by the candidate
- ✔ *For vocals:* Include added accompaniment, performed live by the candidate on any instrument
- ✔ Be accompanied by one live musician, either playing or singing – the additional musician may be a teacher

A song from the relevant 2015–2017 Trinity Rock & Pop syllabus may be selected as an own-choice song, provided that it meets the current own-choice parameters. A list of suitable songs may be found at trinityrock.com/extra-songs

SONG 3

Three of the songs in each Trinity Rock & Pop songbook are identified as technical focus songs, and these are marked with [TF] in the song list sections in the relevant syllabus. One of these should be chosen for song 3, and it must be performed with the Trinity backing track.

These songs are designed to develop technical skills, and each song has two technical elements specifically identified. Guidance on the preparation of these technical skills is included in the songbooks.

For the technical focus song, higher marks are available in the technical control component to reflect the increased emphasis on this area. Examiners will refer to the technical elements in their comments.

If a candidate includes two or three technical focus songs in their set list, they should clearly indicate on the list of songs which one is to be marked as the technical focus song.

PERFORMANCE AND INTERPRETATION

Trinity's Rock & Pop exams are designed to encourage musical performances that reflect a candidate's own personal style and approach. This is because we understand that contemporary music is flexible in its stylistic interpretation, particularly at the higher grades. However, performances should not be simplified and musical integrity should always be maintained.

REPEATS, EXPRESSIVE TECHNIQUES AND TEMPI

All songs should be prepared in full with all repeats, *da capo* and *dal segno* instructions and 1st and 2nd time bars observed. Candidates are encouraged to include a range of expressive techniques appropriate to their instrument and the style of the song, particularly in the higher grades. Candidates should observe terms showing tempo, character and style of the music.

BACKING TRACKS

The official Trinity backing tracks must be used for all songs unless an own-choice is selected. Backing tracks for own-choice songs must be of good quality and must not include the solo part.

Please be aware of the balance between the candidate and the backing track, ensuring that both are audible on the submitted video.

The inclusion of a click track is only permitted for Drums exams, using the official backing tracks provided.

MICROPHONES (VOCALS EXAMS)

The use of a microphone is optional in digital Vocals exams. Please be aware of the balance between voice and backing track to ensure the candidate can be heard clearly at all times.

PERFORMING FROM MEMORY

Candidates may perform any or all of their songs from memory. However, this is not compulsory and no additional marks are given for this.

COPYRIGHT IN A SONG

Points to remember:

- ✔ Candidates can create a cover version of a song and perform it in an exam or other non-public performance.
- ✔ Candidates own the copyright of any songs they have written themselves.

Further information is available at trinityrock.com/syllabus

OBTAINING MUSIC FOR THE EXAM

Trinity's Rock & Pop songbooks contain eight songs (including three technical focus songs), plus background information on the songs and performance tips. They are available from trinityrock.com/shop or from your local music shop.

PARAMETERS FOR OWN-CHOICE SONGS

Own-choice songs should match the standard of songs in the Trinity songbook for the appropriate grade. Please refer to the relevant Trinity Rock & Pop syllabus for guidelines for what might be included at each grade. All techniques are cumulative, but it is not expected that songs will contain everything in the list; this is intended to be a general guide to the type of techniques appropriate at each grade.

SUPPORTING DOCUMENTS

There is a section on the online portal where you can provide any supporting documentation.

- ✔ Fill in the upload form with full details of your songs, indicating which is your technical focus song and (if applicable) your own-choice song.
- ✔ Upload a scanned copy or photograph of the written sheet music of your own-choice song (if applicable). All pages of the song should be in one single file. If you need to combine images into one file, there are many apps that can help you and you will find them on your device's application store.

SUBMITTING YOUR EXAM FOR ASSESSMENT

Please read the following closely before you submit your video performance to our online platform via trinitycollege.com/digital-rp-grades:

- ✔ Play back your video to ensure that the sound and visual quality is sufficient for an examiner to mark it.
- ✔ Ensure your video is one continuous recording from start to finish and you have not edited this into different sections or paused or stopped the video at any point.
- ✔ Only submit one take of your performance.
- ✔ Audio and video may be recorded using separate devices, as long as they are recorded simultaneously.
- ✔ No pre- or post-production techniques may be applied.
- ✔ A single external microphone may be used but multiple microphone set-ups are not permitted. Please keep additional unused microphones away from your instrument to avoid unnecessary referral.
- ✔ Do not provide any information at the beginning of your performance, such as your name or the titles of songs - simply start recording and begin your performance.
- ✔ **Your files should be labelled with your name, subject and grade, for example: `FirstnameSurname_Rock&Pop(Instrument)_Grade(Number)`.**
- ✔ Fill in the upload form, detailing your chosen songs in the order that you are playing them, indicating your technical focus song and (if applicable) your own-choice song.
- ✔ If applicable, remember to upload a scan or photograph of your own-choice song.
- ✔ You may record your video as an mp4 or mov file. Please remember to turn off HD settings, or select the lowest available HD setting, on your device before you begin. Your exam does not need to be recorded in high definition and this will result in files that are too large for upload.
- ✔ If uploading directly from a phone or tablet, you might need to compress the video first, so that it doesn't take too long to upload. There are many apps that can help you do this and you will find them on your device's application store.
- ✔ Do not delete your performance video until you have received your feedback and certificate just in case there are any technical issues and you are required to resubmit.
- ✔ Your books/legally downloaded copies must be in shot when you film your performance. Please make sure they will be visible to the examiner so that they can confirm that you are playing from a legal copy – even if you choose to perform from memory. In the case that you have purchased a digital copy and are playing from a tablet or eReader, please show the copy on screen to the camera, ensuring that the watermark is clearly legible, so the examiner can confirm the purchase.
- ✔ Full details of how to film your performance, what should be in shot and instrument-specific guidance can be found at trinitycollege.com/music-filming-guidance
- ✔ You are allowed to have someone filming your performance, and another person can be present to operate your backing tracks. A count-in at the start of a pre-recorded track is permitted. However, indications of pulse, verbal or non-verbal entry cues during the songs, or the playing of an additional instrument (unless for own-choice songs), will result in a syllabus infringement.

- ✔ You may not enter the same performance video for the same exam more than once, unless Trinity requires you to resubmit your video.
- ✔ You may not use the video from your original entry for any other Trinity exam entries. Subsequent submissions with the same video may be invalidated.
- ✔ We strongly advise candidates not to share their performance videos online. Pieces in the music and drama syllabuses are under copyright, and many of those rights are not owned by Trinity. Trinity only has the required permissions for usage of these pieces in TCL Press published books and in relation to Trinity exams. MARKING

HOW THE EXAM IS MARKED

Examiners give comments and marks for each section of the exam, up to the maximums listed on page 14.

It is not necessary to pass all sections or any particular section in order to achieve a pass overall.

The total mark for the exam corresponds to different attainment levels as follows:

Overall mark	Attainment level
87-100	DISTINCTION
75-86	MERIT
60-74	PASS
45-59	BELOW PASS 1
0-44	BELOW PASS 2

HOW THE SONGS ARE MARKED

Each song is awarded three separate marks corresponding to three specific musical components, allowing candidates to receive precise feedback about specific aspects of their performance. These marks combine to give an overall mark for the song.

The three components are:

Fluency & security

Fluency, synchronisation with the backing track, security in notes and rhythm.

Technical control

Ability to control the instrument effectively, achieving the various technical demands of the song; sound quality.

Communication & style

Stylistic understanding (eg mood and character), musical detail (eg dynamics and articulation), audience engagement.

Marks are awarded for these components to form a maximum total mark for each song as follows:

Songs 1 & 2	Song 3	Component
8	8	FLUENCY & SECURITY
8	12	TECHNICAL CONTROL
9	10	COMMUNICATION & STYLE
25	30	TOTAL MAXIMUM MARK FOR EACH SONG
