TRINITY TEACH ENGLISH ONLINE
MANDATORY SYSTEM REQUIREMENTS

To access the course units and course modules you will need:

- A desktop or laptop computer
- A reliable internet connection
- Headphones or speakers (built-in or external)

Supported Browsers

In order to facilitate an interactive learning experience, the technology utilises modern javascript and browser technologies in order to engage interactively with the content.

The browsers listed below are actively supported with automated testing, manual testing, and active fixing of bugs related to usability.

- Edge
- Chrome >= 35
- Firefox >= 30
- Safari >= 7
- iOS Safari >= 7.1
- iOS Chrome >= 40
- Android Chrome >= 40
- Android Browser >= 4

Any older versions of browsers may result in you being unable to interact with the course content and you will need to upgrade your browser in order to continue.

Please note that if the technologies we use as part of Trinity Teach English Online update their supported browsers, then these system requirements will be updated in line with those changes.
