### Sample Independent listening task 1 – Farm visit

#### Examiner rubric

This is a plan of a farm. Here it shows left and right (*point to L and R on the plan with cursor*). You're going to hear someone talking about the farm. You'll hear the talk twice. These pictures (*point to the pictures with cursor*) show you some places and animals on the farm. A person will tell you where these places and animals are. Each picture has a number. On your notepaper, match the number with the letters on the plan. There's one letter that you do not need to use. There's an example to show you what to do. The example is zero. Zero is A (*point to A = 0 on the plan with cursor*).

Please look at the plan and the pictures now. You have 15 seconds (*wait 15 seconds*). Are you ready?

(*Play the task. The task will play twice.*)

(*Allow the candidate up to 15 seconds after the recording has finished to complete their notes.*)

What letter is number 1? Number 2? Number 3? Number 4? And number 5?

#### Audio script

Welcome to Sunny Farm! Can you look at your maps? Next to the gate, on the right, you can see our chickens. In the middle of the farm there's a small lake. The ducks are here. And we've got horses too. They're at the back of the farm, on the left. Just to the left of the gate are the cows. They can be very noisy! At the back of the farm on the right there are some rabbits. You can go to our café. That's at the back of the farm in the middle. You can have a drink or a snack there. Enjoy your visit!
