If you are a business and you are purchasing exams from Trinity to re-sell to applicants/candidates, these are the fees due to Trinity from you. They do not represent the fees that you must charge to applicants/candidates; you can set these fees yourself.

Applicants/candidates should note that our listed prices are only applicable to them if they are purchasing directly from Trinity rather than through a centre when they may vary.

Our purpose is to inspire teachers and learners through the creation of assessments that are enjoyable to prepare for, rewarding to teach, and develop valuable skills for life in the 21st century.
