I'm sorry you're sick and can't come to the English class.

There are five new students in our class. Brigitte and Monique are sisters. They come from France and can speak French and German. They have a brother, Jacques, who lives in Italy.

Adhira comes from India and she has a little girl called Manju. Lan comes from Vietnam and she's learning to drive. Chen is very nice. He comes from China and he's learning to use a computer. He goes to the computer class on Wednesday morning.

I hope you get better soon.
