

1. **Work with a partner or small group. Think of a famous tourist attraction and then brainstorm some vocabulary related to it. Look at the example below for some ideas.**

2. **Now swap poster with another group. Look at the words on their brainstorm. Write sentences using the words. Look at the examples below for some ideas.**

- The Eiffel Tower is an icon in France.
- There is an amazing view of all of Paris
- The tower is very high!
- Tickets are quite expensive
- There are very long queues

3. **Now swap with another group and try to join the sentences together into paragraphs. You can edit the sentences if you need to.**

If you're in Paris, you must visit the Eiffel Tower, a true French icon. Although the tickets are expensive and the queues are long, it's worth the wait for the amazing views of Paris!

4. **Finally, look at the genre guide for articles. What do you need to add to your paragraph to make it into a good article? You have 20 minutes to complete it.**
