

GRADED EXAMS AND SONGBOOKS FOR ROCK & POP DRUMMERS

Performance is at the core of our exams and songbooks for drums – reflecting the way rock and pop musicians learn today.

Why Rock & Pop exams from Trinity College London?

Our Rock & Pop Drums exams are available for Initial (beginner's level) to Grade 8 (advanced) and develop important skills through an extensive range of well-known songs in many musical styles.

Rock & Pop Drums exams develop important playing skills beginning with basic grooves in a range of styles with different time signatures, tempos and strokes, solo breaks and fills, moving through to instrumental techniques including paradiddles, flams, drags, ruffs, rim shots and ratamacues.

Preparing for the session skills part of the exam helps to develop improvisation and playback skills – both important for drummers. Songs have been carefully chosen to help students develop specific skills such as rhythmic control in 'Airbag' by Radiohead or buzzes and fills in 'White Room' by Cream.

Who are they for?

Our Rock & Pop exams are for drummers of any age and any level, whether they are self-taught or taking lessons. Whether learning for fun, or heading for a career in the music industry, our exams will help drummers develop their skills and achieve their goals.
