

GRADED EXAMS AND SONGBOOKS FOR ROCK & POP GUITARISTS

Performance is at the core of our exams and songbooks for guitar – reflecting the way rock and pop musicians learn today.

Why Rock & Pop exams from Trinity College London?

Our Rock & Pop Guitar exams are available for Initial (beginner's level) to Grade 8 (advanced) and develop important skills through an extensive range of well-known songs in many musical styles.

Rock & Pop Guitar exams develop important playing skills beginning with basic chords and positions, picking and damping techniques, and moving on to instrumental techniques such as hammer-ons and pull-offs, bends, slides and harmonics.

Preparing for the session skills part of the exam helps to develop improvisation and playback skills – both important for guitarists. Songs have been carefully chosen to help students develop specific skills such as vibrato and balance in 'Boulevard of Broken Dreams' by Green Day or ghost notes in 'The Modern Age' by The Strokes.

Who are they for?

Our Rock & Pop exams are for guitarists of any age and any level, whether they are self-taught or taking lessons. Whether learning for fun, or heading for a career in the music industry, our exams will help guitarists develop their skills and achieve their goals.
