Objective	<p>Trinity's grade exams in Rock & Pop provide a framework for progress and enjoyment in musical performance. They assess musical performance, technical ability and responses to set musical tests through live practical assessment. They offer learners of any age the opportunity to measure their development as performers against a series of internationally understood benchmarks, taking them from beginner level to the point at which they can progress to higher education in music.</p>

Minimum age and other entry requirements	<p>These qualifications are open to all candidates, with no age restrictions or other limitations. There is no requirement to have passed lower grade levels, theory exams or other qualifications; however, the grades represent a system of progressive mastery and the outcomes for each level assume mastery of the outcomes of previous grades.</p> <p>Trinity is committed to making its exams accessible to all, and each candidate is treated individually when considering how assessments can be adapted for those with special needs.</p>																			
Progression	<p>While for some learners grade exams in Rock & Pop represent personal goals and objectives, they can also be used as a progression route towards:</p> <ul style="list-style-type: none"> • music courses at conservatoires and universities, for which Grade 8 is often specified as an entry requirement • employment opportunities in music

Details of these are available on our website, and candidates should contact their local Trinity representative for more information.</p> <p>In the UK, schools and private teachers with sufficient candidates may apply to enter under the Examiner Visit Scheme.
